#### Chlorinated Isocyanurates From the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* November 12, 2009.

**FOR FURTHER INFORMATION CONTACT:**

Brandon Petelin or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-8173 or (202) 482-0650, respectively.

**SUPPLEMENTARY INFORMATION:**

#### Background

On June 8, 2009, the Department of Commerce ("Department") published the preliminary results of the administrative review of the antidumping duty order on chlorinated isocyanurates from the People's Republic of China ("PRC"). See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results of Administrative Review*, 74 FR 27104 (June 8, 2009). This review covers the period June 1, 2007, through May 31, 2008. The final results of review are currently due no later than November 5, 2009.

#### Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the

Act"), the Department shall issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act permits the Department to extend the time period to a maximum of 180 days.

On October 13, 2009, the Department published a notice extending the time limit for the final results of this administrative review for 30 days until November 5, 2009. See *Chlorinated Isocyanurates from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review*, 74 FR 52452 (October 13, 2009).

The Department now finds that it is not practicable to complete the final results of the administrative review of chlorinated isocyanurates from the PRC within the current deadline due to complicated by-product and surrogate value issues. We find that additional time is needed to complete these final results. Therefore, in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the final results of the administrative review by an additional 30 days. This extension makes these final results due 180 days after the date on which the preliminary results were published, *i.e.*, December 5, 2009. However, because December 5, 2009, falls on a weekend, the actual due date will be the first business day following the weekend, *i.e.*, December 7, 2009.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 5, 2009.

#### Certain Stainless Steel Butt-Weld Pipe Fittings From Taiwan: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the final results of the

administrative review of the antidumping duty order on certain stainless steel butt-weld pipe fittings from Taiwan. The period of review is June 1, 2007, through May 31, 2008. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

**DATES:** *Effective Date:* November 12, 2009.

**FOR FURTHER INFORMATION CONTACT:**

Angelica Mendoza or John Drury, Office 7, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-3019 and (202) 482-0195, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 8, 2009, the Department published the preliminary results of the administrative review of the antidumping duty order on certain stainless steel butt-weld pipe fittings from Taiwan covering the period June 1, 2007, through May 31, 2008. *See Certain Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Preliminary Results of Antidumping Duty Administrative Review, Notice of Intent to Rescind in Part, and Notice of Intent Not to Revoke Order in Part*, 74 FR 32532 (July 8, 2009). The final results for the antidumping duty administrative review of certain stainless steel butt-weld pipe fittings from Taiwan are currently due no later than November 5, 2009.

**Extension of Time Limits for Final Results**

Section 751(a)(3)(A) of the Act requires the Department to issue the results in an administrative review within 120 days of the publication of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

In accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department finds that it is not practicable to complete the review within the original time frame (*i.e.*, by November 5, 2009). Specifically, the Department requires additional time to review complex issues raised in the respondent Ta Chen Stainless Pipe Co. Ltd.'s case brief, including comments relating to the respondent's qualification

for a constructed export price offset and the Department's use of facts available with respect to certain aspects of respondent's cost reporting. Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the final results of this administrative review by 32 days, to no later than December 7, 2009.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 5, 2009.
