SUPPLEMENTARY INFORMATION:

Background.—On October 5, 2009,
the Commission determined that
responses to its notice of institution of
the subject five-year reviews were such
that full reviews pursuant to section
751(c)(5) of the Act should proceed (74
FR 54069, October 21, 2009). A record
of the Commissioners' votes, the
Commission's statement on adequacy,
and any individual Commissioner's
statements are available from the Office
of the Secretary and at the
Commission's Web site.

**Participation in the reviews and
public service list.**—Persons, including
industrial users of the subject
merchandise and, if the merchandise is
sold at the retail level, representative
consumer organizations, wishing to
participate in these reviews as parties
must file an entry of appearance with
the Secretary to the Commission, as
provided in section 201.11 of the
Commission's rules, by 45 days after
publication of this notice. A party that
filed a notice of appearance following
publication of the Commission's notice
of institution of the reviews need not
file an additional notice of appearance.
The Secretary will maintain a public
service list containing the names and
addresses of all persons, or their
representatives, who are parties to the
reviews.

**Limited disclosure of business
proprietary information (BPI) under an
administrative protective order (APO)
and BPI service list.**—Pursuant to
section 207.7(a) of the Commission's
rules, the Secretary will make BPI
gathered in these reviews available to

application is made by 45 days after
publication of this notice. Authorized
applicants must represent interested
parties, as defined by 19 U.S.C. 1677(9),
who are parties to the reviews. A party
granted access to BPI following
publication of the Commission's notice
of institution of the reviews need not
reapply for such access. A separate
service list will be maintained by the
Secretary for those parties authorized to
receive BPI under the APO.

Staff report.—The prehearing staff
report in the reviews will be placed in
the nonpublic record on April 7, 2010,
and a public version will be issued
thereafter, pursuant to section 207.64 of
the Commission's rules.

Hearing.—The Commission will hold
a hearing in connection with the
reviews beginning at 9:30 a.m. on April
27, 2010, at the U.S. International Trade
Commission Building. Requests to
appear at the hearing should be filed in
writing with the Secretary to the
Commission on or before April 20, 2010.

should attend a prehearing conference
to be held at 9:30 a.m. on April 22,
2010, at the U.S. International Trade

Parties must submit any request to
present a portion of their hearing
testimony *in camera* no later than 7
business days prior to the date of the

the reviews may submit a prehearing
brief to the Commission. Prehearing
briefs must conform with the provisions
of section 207.65 of the Commission's
rules; the deadline for filing is April 16,
2010. Parties may also file written
testimony in connection with their
presentation at the hearing, as provided
in section 207.24 of the Commission's
rules, and posthearing briefs, which

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-473 and 731-TA-1173 (Preliminary)]

Certain Sodium and Potassium Phosphate Salts From China

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) (the Act), that there is a reasonable indication that an industry producing monopotassium phosphate ("MKP"), provided for in subheading 2835.24.00 of the Harmonized Tariff Schedule in the United States, is materially injured or threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less

than fair value (LTFV).^{2,3} In addition, the Commission determines that there is a reasonable indication that industries producing dipotassium phosphate ("DKP") and tetrapotassium pyrophosphate ("TKPP"), provided for in subheadings 2835.24.00 and 2835.39.10 respectively, of the Harmonized Tariff Schedule of the United States, are threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less than fair value (LTFV).⁴ Finally, the Commission determines that there is no reasonable indication that an industry producing sodium tripolyphosphate ("STPP"), provided for in subheading 2835.31.00 of the Harmonized Tariff Schedule of the United States, is materially injured or threatened with material injury by reason of imports from China, that are alleged to be subsidized by the Government of China and sold in the United States at less than fair value (LTFV).

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations

have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On September 24, 2009, a petition was filed with the Commission and Commerce by ICL Performance Products LP, St. Louis, MO and Prayon, Inc., Augusta, GA alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of certain sodium and potassium phosphate salts from China. Accordingly, effective September 24, 2009, the Commission instituted countervailing duty investigation No. 701-TA-473 and antidumping duty investigation No. 731-TA-1173 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC and by publishing the notice in the **Federal Register** of October 1, 2009 (74 FR 50817). The conference was held in Washington, DC, on October 15, 2009, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on November 9, 2009. The views of the Commission are contained in USITC Publication 4110 (November 2009), entitled *Certain Sodium and Potassium Phosphate Salts From China* (Preliminary).

By order of the Commission.

Issued: November 17, 2009.

Secretary to the Commission.
