

the proposed directives or that would impede their full implementation would be preempted; (2) no retroactive effect would be given to the proposed directives; and (3) they would not require administrative proceedings before parties may file suit in court challenging their provisions.

#### *Federalism and Consultation and Coordination With Indian Tribal Governments*

The Agency has considered these proposed directives under the requirements of E.O. 13132 on federalism and has concluded that the proposed directives conform with the federalism principles set out in this E.O.; would not impose any compliance costs on the States; and would not have substantial direct effects on the States, the relationship between the Federal Government and the States, or the distribution of power and responsibilities among the various levels of government. Therefore, the Agency has determined that no further assessment of federalism implications is necessary at this time.

Moreover, these proposed directives do not have tribal implications as defined by E.O. 13175, entitled "Consultation and Coordination With Indian Tribal Governments," and therefore advance consultation with Tribes is not required.

#### *Energy Effects*

The Agency has reviewed the proposed directives under E.O. 13211, entitled "Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use." The Agency has determined that these proposed directives do not constitute a significant energy action as defined in the E.O.

#### *Unfunded Mandates*

Pursuant to Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Agency has assessed the effects of these proposed directives on State, local, and Tribal Governments and the private sector. These proposed directives would not compel the expenditure of \$100 million or more by any State, local, or Tribal Government or anyone in the private sector. Therefore, a statement under section 202 of the act is not required.

#### *Controlling Paperwork Burdens on the Public*

These proposed directives do not contain any new recordkeeping or reporting requirements or other information collection requirements as defined in 5 CFR Part 1320 that are not

already required by law or not already approved for use. Any information collected from the public that would be required by these proposed directives has been approved by the Office of Management and Budget and assigned control number 0596–0082.

Accordingly, the review provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) and its implementing regulations at 5 CFR Part 1320 do not apply.
