#### **ICG Castings, Inc., Including On-Site Leased Workers From Beacon Services, Dowagiac, MI; ICG Berrien, Inc., Including On-Site Leased Workers From Beacon Services, Bridgman, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on December 3, 2008, applicable to workers of ICG Castings, Inc., Dowagiac, Michigan and ICG Berrien, Inc., Bridgman, Michigan. The notice was published in the **Federal Register** on December 18, 2008 (73 FR 77067).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of aluminum castings. The workers are separately identifiable by location, but not by product.

New information shows that workers leased from Beacon Services were employed on-site at the Dowagiac, Michigan location of ICG Castings, Inc., and the Bridgman, Michigan location of ICG Berrien, Inc. The Department has determined that these workers were sufficiently under the control of ICG Castings, Inc., and ICG Berrien, Inc. to be considered leased workers.

Based on these findings, the Department is amending this

certification to include workers leased from Beacon Services working on-site at the Dowagiac, Michigan location of ICG Castings, Inc. and the Bridgman, Michigan location of ICG Berrien, Inc.

The intent of the Department's certification is to include all workers employed at ICG Castings, Inc., Dowagiac, Michigan and ICG Berrien, Inc., Bridgman, Michigan who were adversely affected by a shift in production of aluminum castings to Canada.

The amended notice applicable to TA-W-64,217 and TA-W-64,217A are hereby issued as follows:

#### **Nestaway, LLC, Garfield Heights, OH; Notice of Negative Determination on Reconsideration**

On December 10, 2008, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The notice was published in the **Federal Register** on December 18, 2008 (73 FR 77064).

The initial investigation resulted in a negative determination based on the finding that imports of dishwasher rack components did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

The petitioner alleged that the workers of the subject firm manufactured not only dishwasher rack components but also vending machine trays and surgical baskets for specific customers. The petitioner provided the names of these customers.

A company official was contacted to verify the above allegation. The company official stated that the subject firm did not manufacture vending machine trays and surgical baskets during the relevant period (since August 19, 2007, twelve months prior to the date of the petition).

The company official confirmed that during the initial investigation, the subject firm supplied the Department with a complete list of all customers, who purchased products from the subject firm in 2006, 2007 and January through August 2008. The investigation revealed a major declining customer, representing nearly all of the subject firm's total sales, did not import wire dishrack components and service racks during 2006, 2007 and during the January through August 2008 period.

The petitioner also alleged that the parent company of Nestaway and several subject firm's customers had been certified eligible for TAA.
