

specifications for groundfish of the GOA (74 FR 7333, February 17, 2009).

In accordance with § 679.20(d)(1)(i), the Regional Administrator has determined that the A season allocation of the 2009 TAC of Pacific cod apportioned to vessels catching Pacific cod for processing by the offshore component of the Central Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 1,350 mt, and is setting aside the remaining 68 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by vessels catching Pacific cod for processing by the offshore component in the Central Regulatory Area of the GOA.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of Pacific cod apportioned to vessels catching Pacific cod for processing by the offshore component of the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of February 18, 2009.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: February 23, 2009.

Emily H. Menashes,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

RIN 0648-XM68

Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel Lottery in Areas 542 and 543; Correction

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Correction of fishery assignments.

SUMMARY: On January 14, 2009, NMFS published a rule (74 FR 1946) that notified owners and operators of registered vessels of their assignments for the 2009 A season Atka mackerel fishery in harvest limit area (HLA) 542 and/or 543 of the Aleutian Islands subarea of the Bering Sea and Aleutian Islands management area (BSAI). Subsequent to the issuance of that notice, NMFS learned that several applicants for federal fisheries permits inadvertently selected the endorsement for the directed Atka mackerel fisheries inside the HLA in the Aleutian Islands subarea. This resulted in NMFS assigning those vessels to the HLA directed fishery for Atka mackerel. NMFS is hereby correcting the previous notice to the owners and operators of registered vessels of their assignments for the 2009 A season Atka mackerel fishery in harvest limit area (HLA) 542 and/or 543 of the Aleutian Islands subarea of the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to allow the correct vessels to participate the harvest of the 2009 A season HLA limits established for area 542 and area 543 pursuant to the 2008 and 2009 harvest specifications for groundfish in the BSAI.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), February 24, 2009, until 1200 hrs, A.l.t., April 15, 2009.

FOR FURTHER INFORMATION CONTACT: Mary Furuness, 907-586-7228.

SUPPLEMENTARY INFORMATION:

Background

NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

In accordance with § 679.20(a)(8)(iii)(A), owners and operators of vessels using trawl gear for directed fishing for Atka mackerel in the HLA are required to register with NMFS. Eight vessels have registered with NMFS to fish in the A season HLA fisheries in areas 542 and/or 543. In accordance with § 679.20(a)(8)(iii)(B), the Administrator, Alaska Region, NMFS, has randomly assigned each vessel to the HLA directed fishery for Atka mackerel for which they have registered and is now notifying each vessel of its assignment in accordance with § 679.20(a)(8)(iii).

Correction

The final rule, identified as FR Doc. E9-606 that published in the **Federal Register** on January 14, 2009 (74 FR 1946) is corrected by removing six of the fourteen vessels that registered with NMFS to fish in the A season HLA fisheries in areas 542 and/or 543 as follows.

1. On page 1946, in column 3, in the second paragraph on line 6, the number "Fourteen" is corrected to read "Eight".

2. On page 1947, in column 1, in the second paragraph on lines 6 through 9, the vessels "Federal Fishery Permit number (FFP) 2134 Ocean Peace, FFP 2733 Seafreeze Alaska, FFP 3694 Arica, and FFP 3835 Seafisher" are corrected to read "Federal Fishery Permit number (FFP) 2134 Ocean Peace and FFP 2733 Seafreeze Alaska".

3. On page 1947, in column 2, in the third paragraph on lines 4 through 6, the vessels "FFP 480 Muir Milach and FFP 11770 Alaska Knight" are corrected to read "FFP 11770 Alaska Knight".

4. On page 1947, in column 2, paragraph 4 is removed.

Fishery Assignments

For the Amendment 80 cooperative, the vessels authorized to participate in the first HLA directed fishery in area 542 and the second HLA directed fishery in area 543 are as follows: Federal Fishery Permit number (FFP) 2134 Ocean Peace and FFP 2733 Seafreeze Alaska.

For the Amendment 80 cooperative, the vessels authorized to participate in the first HLA directed fishery in area 543 and the second HLA directed fishery in area 542 are as follows: FFP 3835 Seafisher.

For the Amendment 80 limited access sector, vessels authorized to participate in the first HLA directed fishery in area 542 and in the second HLA directed fishery in area 543 are as follows: FFP 2443 Alaska Juris and FFP 3819 Alaska Spirit.

For the Amendment 80 limited access sector, the vessels authorized to participate in the first HLA directed fishery in area 543 and the second HLA directed fishery in area 542 are as follows: FFP 3423 Alaska Warrior and FFP 4093 Alaska Victory.

For the BSAI trawl limited access sector, the vessel authorized to participate in the first HLA directed fishery in area 542 is as follows: FFP 11770 Alaska Knight.

This action removes six vessels that registered with NMFS to fish in the A season HLA fisheries in areas 542 and/or 543 and does not otherwise change the requirements in the January 14, 2009 (74 FR 1946) temporary rule.

Classification

The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is unnecessary. This notice merely advises the owners of these vessels of the results of a random assignment required by regulation. The notice needs to occur immediately to notify the owner of each vessel of its assignment to allow these vessel owners to plan for participation in the A season HLA fisheries in area 542 and area 543.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

50 CFR Part 679

[Docket No. 0812011537-9145-01]

RIN 0648-AX45

Fisheries of the Exclusive Economic Zone Off Alaska; Recordkeeping and Reporting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule.

SUMMARY: NMFS issues a final rule to update regulations in 50 CFR part 679. The action would remove regulations that have lapsed and is intended to promote the goals and objectives of the Magnuson-Stevens Fishery Conservation and Management Act.

DATES: Effective February 27, 2009.

ADDRESSES: Copies of the Categorical Exclusion (CE) and Regulatory Impact Review (RIR) prepared for this action may be obtained from the NMFS Alaska Region, P.O. Box 21668, Juneau, AK 99802, or by calling the Alaska Region, NMFS, at 907-586-7228, or from the NMFS Alaska Region website at <http://alaskafisheries.noaa.gov>.

FOR FURTHER INFORMATION CONTACT: Patsy A. Bearden, 907-586-7008.

SUPPLEMENTARY INFORMATION: The groundfish fisheries in the exclusive economic zone (EEZ) off Alaska are managed under the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area and the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMPs). The North Pacific Fishery Management Council prepared the FMPs under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), 16 U.S.C. 1801 *et seq.* Regulations implementing the FMPs appear at 50 CFR part 679. General regulations governing U.S. fisheries also appear at 50 CFR part 600.

Need for Action

In 50 CFR part 679, text is amended to remove lapsed regulatory provisions from the Code of Federal Regulations (CFR). This final rule amends regulations by removing text as follows:

Location	Amendment
679.20(a)(5)(i)(D), (E), and (F)	Remove from CFR because (F) was applicable only through December 31, 2002, and (D) and (E) were previously removed and reserved.
679.20(a)(5)(iv)(C)	Remove from CFR because this paragraph was applicable only through December 31, 2002.
679.20(c)(2)	Remove from CFR and reserve because this paragraph was applicable only until April 1, 2005.
679.20(c)(5) and (c)(6)	Remove the phrase “(Effective April 1, 2005)” because related regulations are now effective.

Classification

Pursuant to section 305(d) of the Magnuson-Stevens Act, NMFS has determined that this final rule is consistent with the FMPs and other provisions of the Magnuson-Stevens Act.

This rule has been determined to be not significant for purposes of Executive Order 12866.

This action will not increase recordkeeping and reporting costs.

Pursuant to 5 U.S.C. 553(b)(B), the Assistant Administrator of Fisheries (AA) finds good cause to waive prior notice and opportunity for public comment. Prior notice and opportunity for public comment are unnecessary because these changes remove regulatory provisions that have lapsed. For the same reason, the AA finds good cause to waive the 30-day delay in the effective date under 5 U.S.C. 553(d)(3).

Because prior notice and opportunity for public comment are not required for this rule by 5 U.S.C. 553, or any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* are inapplicable.

List of Subjects in 50 CFR Part 679

Alaska, Fisheries, Recordkeeping and reporting requirements.

Dated: February 23, 2009.

Samuel D. Rauch III

Deputy Assistant Administrator for
Regulatory Programs, National Marine
Fisheries Service.

■ For the reasons set out in the preamble, 50 CFR part 679 is amended as follows:
