National Indian Gaming Commission

Notice of Availability of a Final Environmental Impact Statement and a Final Conformity Determination for the Proposed Federated Indians of the Graton Rancheria Casino and Hotel Project, Sonoma County, CA

AGENCY: National Indian Gaming Commission (NIGC), Interior.

ACTION: Notice of Availability (NOA).

SUMMARY: In accordance with Section 102(2)(C) of the National Environmental Policy Act (NEPA) 42 U.S.C. 4321 *et seq.*, the NIGC, in cooperation with the Federated Indians of the Graton Rancheria (the "Graton Rancheria"), has prepared a Final Environmental Impact Statement (FEIS) for a proposed casino and hotel project/action to be located in Sonoma County, California. The purpose of the proposed project/action is to help address the socio-economic needs of the Graton Rancheria. The FEIS includes an analysis of potential environmental impacts on those resources as a result of implementing each of the alternatives. A Response to Comments document is included within the FEIS which provides agency responses to substantive environmental comments raised during the DEIS comment period. The alternatives considered in detail within the FEIS are: (A) A casino/hotel project on the "Wilfred Site" (the proposed project/action), (B, C) a casino/hotel project on

the "Stony Point Site," (D) a reduced intensity casino/hotel project on the "Stony Point" site, (E) an alternate use project on the "Stony Point" site, (F) a casino/hotel project on the "Lakeville Site," (G) a no proposed project/action alternative, and (H) a reduced intensity casino/hotel on the "Wilfred Site." This notice advises the public that the NIGC has filed the FEIS with the U.S. Environmental Protection Agency (EPA).

In accordance with Section 176 of the Clean Air Act 42 U.S.C. 7506, and the EPA general conformity regulations 40 CFR part 93, subpart B, a Final Conformity Determination (FCD) has been prepared for the proposed project. The FCD is contained within Appendix W of the FEIS.

DATES: Pursuant to the Council on Environmental Quality (CEQ) NEPA Regulations (40 CFR 1506.10), the publication of this NOA in the **Federal Register** initiates a 30-day waiting period for the Federal decision. Thus, a Record of Decision (ROD) on the proposed project/action will be issued no sooner than 30 days after the release of the FEIS.

FOR FURTHER INFORMATION CONTACT: For further information or to request a copy of the FEIS, please contact: Brad Mehaffy, NEPA Compliance Officer, National Indian Gaming Commission, 1441 L Street, NW., Suite 9100, Washington DC 20005, Phone: (202) 632-7003, Ext. 256, Fax: (202) 632-7066, E-mail: graton_eis@nigc.gov.

The FEIS is available for public review at the Rohnert Park—Cotati Regional Library and Santa Rosa Central Library, general information, including directions and office hours is available online at: <http://www.sonoma.lib.ca.us/branches/> or by calling (707) 584-9121 for the Rohnert Park—Cotati Regional Library or (707) 545-0831 for the Santa Rosa Central Library. The FEIS can also be viewed at <http://www.gratoneis.com>.

SUPPLEMENTARY INFORMATION: The proposed federal action is the NIGC's approval of a gaming management contract between the Graton Rancheria and SC Sonoma Management LLC. The approval of the gaming management contract would result in the development of a resort hotel, casino, and supporting facilities. The facility will be managed by SC Sonoma Management LLC on behalf of the Graton Rancheria, pursuant to the terms of a gaming management contract.

The NIGC has afforded other government agencies and the public extensive opportunity to participate in the preparation of this FEIS. The NIGC published a Notice of Intent (NOI) in the **Federal Register** on February 12, 2004, briefly describing the proposed project/action and announcing the NIGC's intent to prepare an EIS. The CEQ Regulations for implementing NEPA require a process, referred to as "scoping," for determining the range of environmental issues to be addressed during the environmental review of a proposed project/action (40 CFR 1501.7). The scoping process included an initial determination of environmental issues to be studied and documented in the EIS by soliciting comments from agencies, organizations and individuals. During the scoping process, the NIGC solicited comments from the general public (providing a 50-day comment period and including a public hearing) and offered Cooperating Agency status to both Federal and non-Federal agencies, including the Bureau of Indian Affairs (BIA), the EPA, the U.S. Army Corps of Engineers (USACE), the California Department of Transportation (Caltrans), the U.S. Fish and Wildlife Service (USFWS), the California Department of Fish and Game (CDFG) and the County of Sonoma. An EIS Scoping Report was published in August 2004, which summarized public scoping comments and identified the
