I. Funding Opportunity Description

Purpose of Program: The purpose of the Grants for the Integration of Schools and Mental Health Systems program is to increase student access to high-quality mental health care by developing innovative approaches that link school systems with the local mental health system.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 5541 of the Elementary and Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7269).

Absolute Priority: For FY 2010 and any subsequent year in which we make

awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Increasing student access to quality mental health care by developing innovative approaches to link local school systems with the local mental health system. A program funded under this absolute priority must include all of the following activities:

(1) Enhancing, improving, or developing collaborative efforts between school-based service systems and mental health service systems to provide, enhance, or improve prevention, diagnosis, and treatment services to students.

(2) Enhancing the availability of crisis intervention services, appropriate referrals for students potentially in need of mental health services, and ongoing mental health services.

(3) Providing training for the school personnel and mental health professionals who will participate in the program.

(4) Providing technical assistance and consultation to school systems and mental health agencies and families participating in the program.

(5) Providing linguistically appropriate and culturally competent services.

(6) Evaluating the effectiveness of the program in increasing student access to quality mental health services, and making recommendations to the Secretary about sustainability of the program.

Under this competition we are particularly interested in applications that address the following priority.

Invitational Priority: For FY 2010 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute priority over other applications.

This priority is:

Low-Achieving Schools.

Projects that are designed to dramatically improve student achievement in schools identified for corrective action or restructuring under Title I of the ESEA or in high schools with graduation rates of less than 60 percent through either comprehensive interventions or targeted approaches to reform.

Additional Requirements: The following requirements are from the notice of final requirements for this

program, published in the **Federal Register** on May 30, 2006 (71 FR 30778).

Requirement 1—Coordination of Activities

Recipients of a grant under the Grants for the Integration of Schools and Mental Health Systems program are required to coordinate project activities with projects funded under the Department of Health and Human Services' Substance Abuse and Mental Health Services Administration's Mental Health Transformation State Infrastructure Grants (MHTSIG) program (CFDA 93.243), if a grantee's State receives a MHTSIG award. If a recipient of a grant under the Grants for the Integration of Schools and Mental Health Systems program has received or receives a grant under the Department of Education's Readiness and Emergency Management for Schools (REMS) program (CFDA 84.184E), formerly known as the Emergency Response and Crisis Management program, the recipient must coordinate mental health service activities under this grant with those planned under its REMS grant. Projects funded by this program must complement, rather than duplicate, existing or ongoing efforts.

Requirement 2—Safe Schools/Healthy Students Recipients Excluded From Receiving Awards

Former or current recipients under the Safe Schools/Healthy Students program (CFDA 84.184L) are not eligible to receive a Grant for the Integration of Schools and Mental Health Systems. Recipients of Safe Schools/Healthy Students awards are responsible for completing a scope of work under that program that is very similar to the activities required under the Grants for the Integration of Schools and Mental Health Systems program. By restricting the applicant pool to eliminate former or current grantees under the Safe Schools/Healthy Students program, we will be able to focus Federal funds on entities that have not yet received Federal support to develop and implement strong linkages with other entities in their communities for the provision of mental health services to students.

Applicants may compete for both the Grants for the Integration of Schools and Mental Health Systems and Safe Schools/Healthy Students programs in the same year; if applicants are deemed eligible for funding in both grant competitions, the applicant will receive the larger and more comprehensive of the awards.

Requirement 3—Preliminary Interagency Agreement

Applicants for an award under the Grants for the Integration of Schools and Mental Health Systems program must develop and submit with their applications a preliminary interagency agreement (IAA). The IAA must contain the signatures of an authorized representative of at least (1) one or more State or local educational agencies or Indian Tribes; (2) one or more juvenile justice authorities; and (3) one or more State or local public mental health agencies. This preliminary IAA would confirm the commitment of these partners to complete the work under the proposed project, if funded. If the applicant is funded, recipients will complete a final IAA as required by section 5541(e) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The final IAA must be completed and submitted to us, signed by all parties, no later than 12 months after the award date.

Applications that do not include the proposed preliminary IAA with all of the required signatures will be rejected and not be considered for funding.

Requirement 4—Inclusion of Parental Consent Considerations in Final IAA

The final Interagency Agreement (IAA) must include a description of policies and procedures that would ensure appropriate parental or caregiver consent for any planned services, pursuant to State or local laws or other requirements.

Requirement 5—Provision of Direct Services

Grant funds under this program must not be used to provide direct services to students.

Program Authority: 20 U.S.C. 7269.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, 99, and 299. (b) The notice of final requirements for this program, published in the **Federal Register** on May 30, 2006 (71 FR 30778).

Note: The regulations in 34 CFR part 79 apply to all applicants except Federally recognized Indian Tribes.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$5,913,000.

Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2010 and in FY 2011 from the list

of unfunded applicants from this competition.

Estimated Range of Awards: \$150,000–\$400,000.

Estimated Average Size of Awards: \$347,800.

Estimated Number of Awards: 17.

Note: The Department is not bound by any estimates in this notice.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 of EDGAR and are listed in the application package.

2. *Review and Selection Process:* Additional factors we consider in selecting an application for an award are the equitable distribution of grants among the geographical regions of the United States and among urban, suburban, and rural populations.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. You must also submit an interim progress report twelve months after the award date. This report should provide the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing

the effectiveness of the Grants for the Integration of Schools and Mental Health Systems program:

- a. The percentage of schools served by the grant that have comprehensive, detailed linkage protocols in place; and
- b. The percentage of school personnel served by the grant who are trained to make appropriate referrals to mental health services.

These two measures constitute the Department's measures of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these two measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their interim and final performance reports about progress toward these measures. The Secretary will also use this information to respond to the evaluation requirements concerning this program established in section 5541(f) of the ESEA. For specific requirements on grantee reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.
