We will announce the final priorities, requirements, and selection criteria in a notice in the **Federal Register**. We will determine the final priorities, requirements, and selection criteria after considering responses to this notice and other information available to the Department. This notice does not preclude us from proposing additional priorities, requirements, definitions, or selection criteria, subject to meeting applicable rulemaking requirements.

Note: This notice does *not* solicit applications. In any year in which we choose to use one or more of these priorities, requirements, and selection criteria, we invite applications through a notice in the **Federal Register**.

Executive Order 12866: This notice has been reviewed in accordance with Executive Order 12866. Under the terms of the order, we have assessed the potential costs and benefits of this proposed regulatory action.

The potential costs associated with this proposed regulatory action are those resulting from statutory requirements and those we have determined as necessary for administering this program effectively and efficiently.

In assessing the potential costs and benefits—both quantitative and qualitative—of this proposed regulatory action, we have determined that the benefits of the proposed priorities, requirements, and selection criteria justify the costs. This action would provide additional resources to States to help them implement an existing statutory requirement under the Act, the implementation of programs of study at the State and local levels.

We have determined, also, that this proposed regulatory action does not unduly interfere with State, local, and tribal governments in the exercise of their governmental functions.

Intergovernmental Review: This program is subject to Executive Order

12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive order is to foster an intergovernmental partnership and a strengthened federalism. The Executive order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

This document provides early notification of our specific plans and actions for this program.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.215C.

Dates: Applications Available: May 27, 2010.

Deadline for Notice of Intent to Apply: June 21, 2010.

Deadline for Transmittal of Applications: July 9, 2010.

Deadline for Intergovernmental Review: September 7, 2010.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Gulf Coast Recovery Grant Initiative is to assist local educational agencies (LEAs) in improving education in areas affected by Hurricanes Katrina, Ike, or Gustav.

Priority: We are establishing this priority for the FY 2010 grant competition only, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Competitive Preference Priority: This priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i) we award an additional 5 points to an application that meets this priority.

This priority is:

Serving Persistently Lowest-Achieving Schools

Five additional points will be awarded to an application that proposes to serve at least one school designated by the State as a "persistently lowest-achieving school" for purposes of using school improvement funds under section 1003(g) of Title I of the Elementary and Secondary Education Act of 1965, as amended (ESEA). A "persistently lowest-achieving school" under section 1003(g) means a school, as defined by each State, that falls into one of the following groups:

(1) Any Title I school in improvement, corrective action, or restructuring that (i) is among the lowest-achieving five percent of Title I schools in improvement, corrective action, or restructuring in the State (or

the lowest-achieving five such schools, whichever number of schools is greater) or (ii) is a Title I high school that has had a graduation rate that is less than 60 percent over a number of years.

(2) Any secondary school that is eligible for, but does not receive, Title I funds that (i) is among the lowest-achieving five percent of secondary schools in the State (or the lowest-achieving five secondary schools, whichever number of schools is greater) that are eligible for, but do not receive, Title I funds or (ii) is a high school that has had a graduation rate that is less than 60 percent over a number of years.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities, requirements, and selection criteria. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for the Gulf Coast Recovery Grant Initiative and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forgo public comment on the priority, requirements, and selection criteria under section 437(d)(1) of GEPA. This priority, requirements, and selection criteria will apply to the FY 2010 grant competition only.

Program Authority: Consolidated Appropriations Act, 2010 (Pub. L. 111-117).

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except Federally recognized Indian Tribes.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$12,000,000.

Estimated Range of Awards: \$150,000-\$3,000,000.

Estimated Average Size of Awards: \$1,500,000.

Note: An eligible LEA may request up to \$500,000 per year for each school it intends to serve through the grant under this competition. To ensure that sufficient funds are available to support awards to LEAs of all sizes, and not only the largest LEAs, an applicant may not include more than three schools in a single application for a grant. We will reject any application that includes more than three schools in its proposal.
