The collection of information in this proposed regulation is in proposed § 49.5000B-1(d)(2). Estimated average annual burden hours per recordkeeper: 30 minutes.

Background

This document contains proposed amendments to the Excise Tax Procedural Regulations (26 CFR part 40) and the Facilities and Services Excise Tax Regulations (26 CFR part 49) under section 5000B of the Internal Revenue Code (Code). Section 5000B of the Code was enacted by section 10907 of the Patient Protection and Affordable Care Act, Public Law 111-148 (124 Stat. 119 (2010)) to impose an excise tax on indoor tanning services. The text of temporary regulations published in this issue of the **Federal Register** also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations. It is hereby certified that these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that these regulations are designed to accommodate the recordkeeping methods currently used by small entities that provide indoor tanning services. The regulations merely implement the tax imposed by section 5000B of the Code, and section 6001 of the Code already requires taxpayers to keep books and records sufficient to show whether or not they are liable for tax. The information necessary to prepare these records is readily available to providers, and this recordkeeping will take little additional time to complete. Accordingly, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments

that are submitted timely to the IRS. The IRS and the Treasury Department request comments on the clarity of the proposed rules and how they can be made easier to understand. As described in the preamble to the temporary regulations, comments are also requested regarding whether the presumption relating to section 5000B(c)(2) (that the amount paid by the payor to the provider includes the tax if the tax is not separately stated) is consistent with the manner in which providers maintain books and records and specifically whether such a rule is useful for purposes of minimizing recordkeeping burdens of the providers.

All comments will be available for public inspection and copying. A public hearing may be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these regulations is Taylor Cortright, Office of the Associate Chief Counsel (Passthroughs and Special Industries). However, other personnel from the IRS and the Treasury Department participated in their development.
