Abstract: The regulations at 36 CFR Part 51 primarily implement Title IV of the National Parks Omnibus Management Act of 1998 (Pub. It also requires that franchise fees be determined with consideration to the opportunity for net profit in relation to both gross receipts and capital invested. The financial information being collected is necessary to provide insight into, and knowledge of the concessioner's operation so that this authority can be exercised and franchise fees determined in a timely manner and without an undue burden on the concessioner. This program will measure performance in meeting goals as required by the 1995 Government Performance and Results Act.
