All applicants are required to complete and submit the Erma Byrd Scholarship Program Applicant Information Form, which will be used to determine the applicant's eligibility for the scholarship.

**2. Review and Selection Process:**

(a) *Undergraduate applicants.* In selecting undergraduate students to receive a scholarship, the Secretary will award scholarships to students in the order that the applications are received. Priority will be given first to students who have demonstrated financial need and are eligible to receive a Federal Pell Grant.

Qualified undergraduate applicants who wish to have their Federal Pell Grant eligibility considered as part of their application must demonstrate financial need by submitting a Free Application for Federal Student Aid (FAFSA), which may be obtained at <http://www.fafsa.ed.gov> or from their institution's financial aid office, and by submitting their Social Security Number via postal mail using the Pell Grant Eligibility Certification Sheet contained in the Erma Byrd Scholarship Program application package. Applicants who have already submitted their FAFSA for the 2010-2011 award year do not need to resubmit the FAFSA.

The Secretary will award scholarships to applicants who are eligible for Federal Pell Grants and who are enrolled in eligible fields of study in the order that the applications are received.

If additional funds are available after awards are made to undergraduate students who are eligible for a Federal Pell Grant, scholarships will be awarded to qualified undergraduate students who are not eligible for a Federal Pell Grant in the order that their applications are received.

(b) *Graduate applicants.* In selecting graduate students to receive a scholarship, the Secretary will award scholarships to qualified students in the order that the applications are received.

**VI. Award Administration Information**

**1. Award Notices:** If your application is successful, we notify you and your U.S. Representative and U.S. Senators and send a Grant Award Notification (GAN) directly to the institution you will be attending. The institution will disburse funds to scholarship recipients in accordance with its regular payment schedule.

If your application is not evaluated or not selected for funding, we notify you.

**2. Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

**3. Reporting:** Scholarship recipients must submit a Student Activities Report to the Secretary at the end of each year of funding, which includes certification from an authorized representative of the institution that the student is maintaining satisfactory academic progress. In addition, a scholarship recipient must submit a verification of employment report to the Secretary no more than six months immediately after completion of his or her degree program, reporting on post-graduation activities, including changes in their permanent address, e-mail, phone number, and employment status. Finally, scholarship recipients must submit a final employment report to the Secretary at the end of the service obligation period.

At the request of the student, an institution of higher education in which a scholarship recipient is enrolled must provide the student with written certification from an authorized representative of the institution that the student is maintaining satisfactory academic progress.

**4. Performance Measures:** The effectiveness of the Erma Byrd Scholarship Program will be measured by graduation completion rates, time-to-degree completion rates, and the percentage of students fulfilling the one-year service obligation within eighteen months of graduation. The Department will use the verification of employment and final employment reports to assess the program's success in assisting scholarship recipients in completing their course of study and receiving their degree, and entering the specified fields.
