On January 13, 2011, the Department published in the **Federal Register**, the *Preliminary Results* of this review. *See Certain Hot-Rolled Carbon Steel Flat Products From India: Notice of Preliminary Results of Antidumping Duty Administrative Review*, 76 FR 2344 (January 13, 2011) (*Preliminary Results*). The final results of this review are currently due no later than May 13, 2011.

Extension of Time Limit of the Final Results

Section 751(a)(3)(A) of the Act, requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. *See* 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because the Department needs additional time to evaluate information on the record and arguments raised by parties with respect to Tata Steel Limited's single entry of subject merchandise. Therefore, the Department is fully extending the time limit for the final results to July 12, 2011, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Persulfates From the People's Republic of China: Final Results of the 2009-2010 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 11, 2011, the Department of Commerce ("Department") published its *Preliminary Results* for the administrative review of the antidumping duty order on persulfates from the People's Republic of China ("PRC") covering the period July 1, 2009, through June 30, 2010.¹ We invited interested parties to comment on our *Preliminary Results*. FMC Corporation ("FMC"), a domestic producer of persulfates and an interested party in this review, commented that it fully

supports our *Preliminary Results*. No other party submitted comments. Therefore, the *Preliminary Results* are hereby adopted as the final results.

DATES: *Effective Date:* May 17, 2011.

FOR FURTHER INFORMATION CONTACT: Brandon Petelin or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-8173 and (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 11, 2011, the Department published its *Preliminary Results* for the administrative review of the antidumping duty order on persulfates from the PRC covering the July 1, 2009, through June 30, 2010, period of review ("POR"). For the *Preliminary Results*, because United Initiators (Shanghai) Co., Ltd. ("United Initiators") did not respond to the Department's questionnaire, we were unable to determine if United Initiators was eligible for a separate rate.² United Initiators did not rebut the Department's presumption of government control and was, therefore, presumed to be part of the PRC-wide entity. Further, in accordance with sections 776(a)(2)(A) and (B) of the Tariff Act of 1930, as amended ("Act"), because the PRC-wide entity (including United Initiators) failed to cooperate to the best of its ability by not responding to our questionnaire, we found it appropriate to use adverse facts available.³ On March 21, 2011, FMC submitted comments stating that it fully supports the Department's *Preliminary Results*. No other party submitted comments.

Scope of the Order

The products covered by this review are persulfates, including ammonium, potassium, and sodium persulfates. The chemical formula for these persulfates are, respectively, (NH₄)₂S₂O₈, K₂S₂O₈, and Na₂S₂O₈. Potassium persulfates are currently classifiable under subheading 2833.40.10 of the *Harmonized Tariff Schedule of the United States*

² On October 8, 2010, the Department confirmed that United Initiators signed for and received our mailing of the antidumping duty questionnaire. United Initiators did not respond to the Department's antidumping duty questionnaire. On January 3, 2011, the Department placed on the record of this administrative review the UPS International Air Waybill receipt and delivery confirmation for the questionnaire issued to United Initiators to confirm that we mailed, and United Initiators received and signed for, the questionnaire.
