ENVIRONMENTAL PROTECTION AGENCY

[FRL-9315-4]

Science Advisory Board Staff Office Notification of a Joint Public Meeting of the Chartered Science Advisory Board and Board of Scientific Counselors

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of meeting.

SUMMARY: The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a joint public meeting of the Chartered SAB and Board of Scientific Counselors (BOSC) to hold discussions with EPA regarding the Office of Research and Development's (ORD's) new strategic directions for research.

DATES: The public meeting will be held on Wednesday, June 29, 2011 from 8:30 a.m. to 5:30 p.m. and Thursday, June 30, 2011 from 9 a.m. to 4 p.m. (Eastern Daylight Time).

ADDRESSES: The meeting will be held at the Embassy Suites Hotel, 201 Harrison Oaks Boulevard, Cary, North Carolina 27513.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wishes further information concerning the meeting may contact Dr. Angela Nugent, Designated Federal Officer (DFO), EPA Science Advisory Board (1400R), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via telephone/voice mail (202) 564-2218, fax (202) 202-565-2098; or e-mail at nugent.angela@epa.gov. General information concerning the SAB can be found on the EPA Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background: The SAB was established pursuant to the Environmental Research, Development, and Demonstration Authorization Act (ERDAA), codified at 42 U.S.C. 4365, to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The BOSC was established by the EPA to provide advice, information, and recommendations regarding the ORD research program. The SAB and BOSC are Federal Advisory Committees chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. Pursuant to FACA and EPA policy, notice is hereby given that the SAB and BOSC will hold a joint public meeting to hold discussions with EPA regarding

ORD's new strategic directions for research. The SAB and BOSC will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

The Office of Research and Development is restructuring its research programs for FY 2012 to better understand environmental problems and inform sustainable solutions to meet EPA's strategic goals. The restructured research program will be comprised of six program areas: Air, Climate, and Energy; Safe and Sustainable Water Resources; Sustainable and Healthy Communities; Chemical Safety for Sustainability; Human Health Risk Assessment; and Homeland Security.

The Office of Research and Development has requested SAB and BOSC advice at an early stage in the process of defining strategic program directions to help ORD develop research plans to respond to EPA's strategic goals and high priority needs.

Availability of Meeting Materials: A meeting agenda and other materials for the meeting will be placed on the SAB Web site at <http://epa.gov/sab>.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for consideration on the topics included in this advisory activity. **Oral Statements:** To be placed on the public speaker list for the June 29–30, 2011 meeting, interested parties should notify Dr. Angela Nugent, DFO, by e-mail no later than June 22, 2011.

Individuals making oral statements will be limited to five minutes per speaker. **Written Statements:** Written statements for the June 29–30, 2011 meeting should be received in the SAB Staff Office by June 22, 2011, so that the information may be made available to the SAB and BOSC for their consideration prior to this meeting. Written statements should be supplied to the DFO in the following formats: One hard copy with original signature and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, MS Word, WordPerfect, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format). Submitters are asked to provide electronic versions of each document submitted with *and* without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites.

Accessibility: For information on access or services for individuals with disabilities, please contact Dr. Nugent at the phone number or e-mail address noted above, preferably at least ten days prior to the meeting, to give EPA as

much time as possible to process your request.

Dated: May 27, 2011.

Anthony F. Maciorowski,
Deputy Director, EPA Science Advisory Board Staff Office.

ENVIRONMENTAL PROTECTION AGENCY

[FRL–9315–6]

Science Advisory Board Staff Office Notification of a Public Teleconference of the Clean Air Scientific Advisory Committee (CASAC) Ozone Review Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA or Agency) Science Advisory Board (SAB) Staff Office announces a public teleconference on July 6, 2011 of the Clean Air Scientific Advisory Committee (CASAC) Ozone Review Panel to discuss its draft review of EPA's *Integrated Science Assessment for Ozone and Related Photochemical Oxidants (March 2011 Draft)*.

DATES: The CASAC Ozone Review Panel teleconference will be held on Wednesday, July 6, 2011 from 10 a.m. to 1 p.m. (Eastern Time).

ADDRESSES: The public teleconference will take place by telephone only.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wants further information concerning the July 6, 2011 public teleconference may contact Dr. Holly Stallworth, Designated Federal Officer (DFO), EPA Science Advisory Board (1400R), U.S. Environmental Protection Agency, 1300 Pennsylvania Avenue, NW., Washington, DC 20004; via telephone/voice mail (202) 546–2073; fax (202) 565–2098; or e-mail at stallworth.holly@epa.gov. General information concerning the CASAC can be found on the EPA Web site at <http://www.epa.gov/casac>.

SUPPLEMENTARY INFORMATION: **Background:** Pursuant to the Federal Advisory Committee Act (FACA), Public Law 92–463 5 U.S.C., App. 2, notice is hereby given that the CASAC Ozone NAAQS Review Panel will hold a public teleconference to discuss its draft letter reviewing EPA's first external review draft of the *Integrated Science Assessment for Ozone and Related Photochemical Oxidants (March 2011)* (<http://cfpub.epa.gov/ncea/isa/recordisplay.cfm?deid=217463>).

The Clean Air Scientific Advisory Committee (CASAC) was established under section 109(d)(2) of the Clean Air Act (CAA or Act) (42 U.S.C. 7409) as an independent scientific advisory committee. CASAC provides advice, information and recommendations on the scientific and technical aspects of air quality criteria and national ambient air quality standards (NAAQS) under sections 108 and 109 of the Act. The CASAC Panel will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies. Section 109(d)(1) of the CAA requires that the Agency periodically review and revise, as appropriate, the air quality criteria and the NAAQS for the six “criteria” air pollutants, including Ozone.

The Ozone Review Panel developed its draft report after holding a face-to-face meeting on May 19–20, 2011 (as noticed in 76 FR 23809–23810) to review EPA's draft *Integrated Science Assessment*. Information about this review activity may be found on the CASAC Web site at <http://www.epa.gov/casac/>.

Technical Contacts: Any technical questions concerning the *Integrated Science Assessment for Ozone and Related Photochemical Oxidants (March 2011)* may be directed to Dr. James Brown (brown.james@epa.gov).

Availability of Meeting Materials: Prior to the meeting, the draft letter, agenda, public comments and other materials will be accessible through the calendar link on the blue navigation bar at <http://www.epa.gov/casac/>.

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit comments for a Federal advisory committee to consider as it develops advice for EPA. Input from the public to the CASAC will have the most impact if it provides specific scientific or technical information or analysis for CASAC panels to consider or if it relates to the clarity or accuracy of the technical information. Members of the public should send their comments directly to the Designated Federal Officer for the relevant advisory committee. **Oral Statements:** To be placed on the public speaker list for the teleconference, interested parties should
