DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: 2012 National Survey on Drug Use and Health—(OMB No. 0930-0110)—Revision

The National Survey on Drug Use and Health (NSDUH) is a survey of the civilian, non-institutionalized population of the United States 12 years old and older. The data are used to determine the prevalence of use of tobacco products, alcohol, illicit substances, and illicit use of prescription drugs. The results are used by SAMHSA, ONDCP, Federal government agencies, and other organizations and researchers to establish policy, direct program activities, and better allocate resources.

The 2012 and 2013 NSDUHs will continue conducting a follow-up clinical interview with a subsample of approximately 1,500 respondents. The design of this Mental Health Surveillance Study (MHSS) is based on the recommendations from a panel of expert consultants convened by the Center for Mental Health Services (CMHS), SAMHSA, to discuss mental health surveillance data collection strategies. The goal is to create a statistically sound measure that may be used to estimate the prevalence of Serious Mental Illness (SMI) among adults (age 18+).

For the 2012 and 2013 NSDUHs, no questionnaire changes are proposed.

As with all NSDUH/NHSDA surveys conducted since 1999, the sample size of the survey for 2012 and 2013 will be sufficient to permit prevalence estimates for each of the fifty states and the District of Columbia. The total annual burden estimate is shown below:

ESTIMATED ANNUAL BURDEN FOR 2012/2013 NSDUH

Instrument	Number of respondents	Responses per respondent	Hours per response	Total burden hours	Hourly wage rate	Annualized hourly costs
Household Screening	191,100	1	0.083	15,861	\$14.71	\$233,315
Interview	67,500	1	1.000	67,500	14.71	992,925
Clinical Follow-up Certification	90	1	1.000	90	14.71	1,324
Clinical Follow-up Interview	1,500	1	1.000	1,500	14.71	22,065
Screening Verification	5,400	1	0.067	362	14.71	5,325
Interview Verification	10,125	1	0.067	678	14.71	9,973
Total	191,190	85,991	1,264,927

Written comments and recommendations concerning the proposed information collection should be sent by July 25, 2011 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-7285.

Dated: June 17, 2011.

Elaine Parry,

Director, Office of Management, Technology and Operations.
