Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to

minimize the information collection burden.

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* State Collection and Reporting of Dental Provider and Benefit Package Information on the Insure Kids Now! Web site and Hotline; *Use:* The Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA) sections 501(f)(1) and (2), requires that state-specific information on dental providers and benefits be posted on the Insure Kids Now (IKN) Web site and available on the hotline. States must update the information on the dental providers quarterly and the information on their benefit package annually. CMS is asking States to submit their dental benefits in a revised format that is designed to reduce the amount of time States have to spend in compiling the dental benefit information. Although in the past we allowed States to only check a box to indicate that the Medicaid dental benefits were in compliance with Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services, we are also modifying the form to ask States to include their Medicaid dental benefits in this form so those may also be posted on the Web site. In addition, we are asking States to specify if they have a dollar or code limit at which point prior authorization is required for any additional services and if they have cost sharing requirements for dental services; *Form Number:* CMS-10291 (OMB #: 0938-1065); *Frequency:* Yearly (dental benefits) and quarterly (dental providers); *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 51; *Total Annual Responses:* 255; *Total Annual Hours:* 190. Award of Replacement Grant for Preventive Health to Lutheran Social Services of North Dakota, Fargo, ND

AGENCY: Office of Refugee Resettlement, ACF, DHHS.

ACTION: Notice of award.

CFDA NUMBER: 93.576.

Statutory Authority: This program is authorized by Section 412(b)(5) of the Immigration and Nationality Act, as amended (8 U.S.C. 1522(b)(5)), which provides for medical screening and initial medical treatment for refugees.

Amount of Award: \$66,000.

SUMMARY: In Fiscal Year 2006, in an effort to assist States and local health departments to ensure that newly arriving refugees have access to preventive health screenings, the Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR), Division of Refugee Assistance (DRA) awarded, through competition, a Refugee Preventive Health grant to the North Dakota Department of Human Services for a project period of July 1, 2006 to June 30, 2011. The North Dakota Department of Human Services has relinquished the grant.

ORR announces the award of a single-source replacement grant to Lutheran Social Services of North Dakota of Fargo, ND, a non-profit organization engaged in the resettlement of refugees, to continue services under the Refugee

Preventive Health grant. Services provided under the grant to Lutheran Social Services of North Dakota are within the scope and operation of the original award, and address the preventive health needs of refugees in their first year in the United States. The program includes initial health screening, treatment of immediate health needs, follow up on chronic illnesses, nursing case management, interpretation services and preventive health education. The project period for the award is July 1, 2010 to June 30, 2011.
