This notice also lists the following information:

*Title of Proposal:* Housing Choice Voucher Program Administrative Fee Study Pretest.

*OMB Approval Number:* 2528-0267.

*Form Numbers:* None.

*Description of the Need for the Information and Its Proposed Use:* This request is for the clearance of on-site data collection from public housing agencies (PHAs) to test the methodology for the Housing Choice Voucher (HCV) Program Administrative Fee study. The purpose of the study is to collect accurate information on the costs of administering the HCV program across a representative sample of high performing and efficient PHAs and to use this information to develop a new administrative fee allocation formula for the HCV program. The study is proceeding in multiple phases. This request is for data collection to test the methodology for estimating program costs in the study. We propose to use two main methods for collecting cost

data: (1) Measuring the time that front line staff spend working on the program and translating that time into costs using the salaries and benefits of the staff doing the work and adjusting for market factors; and (2) collecting information via interviews and document review on the overhead costs and other costs related to HCV program administration that cannot be captured by measuring staff time spent on the program. We will test these data collection approaches at between 5 and 10 PHAs across the country. The results of the pretest will be used to refine the methodology used for the full study of administrative fees with a larger sample of PHAs.

*Frequency of Submission:* Annually.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Bureau of Indian Affairs' ILCP purchases fractionated interests of individually owned trust lands and transfers those consolidated interests into tribal ownership. The Indian Claims Resolution Act of 2010, Public Law 111-291, makes available \$1.9 billion for the Secretary to operate the ILCP with the purpose of preventing further fractionation. The Act requires consultation with Indian tribes to

identify fractional interests that should be prioritized for purchase through the ILCP.

Information and statistics regarding the issue of land fractionation will be distributed to the federally recognized Indian tribes prior to the consultations. The information will also be made available to attendees on the day of the consultation.

To date, the Office of the Secretary held five tribal consultation meetings: Friday, July 15, 2011, in Billings, Montana; Thursday, August 18, 2011, in Minneapolis, Minnesota; Friday, September 16, 2011, in Seattle, Washington; Tuesday, September 27, 2011, in Albuquerque, New Mexico; and Thursday, September 29, 2011, in Phoenix, Arizona. **Abstract:** The Outer Continental Shelf (OCS) Lands Act, as amended (43 U.S.C. 1331 *et seq.* and 43 U.S.C. 1801 *et seq.*), authorizes the Secretary of the Interior to prescribe rules and regulations to administer leasing of mineral resources on the OCS. Such rules and regulations

will apply to all operations conducted under a lease, right-of-use and easement, or unit. Sections 11 and 25 of the amended OCS Lands Act require the holders of OCS oil and gas or sulphur leases to submit exploration plans (EPs) and development and production plans (DPPs) to the Secretary for approval prior to commencing these activities. As a Federal agency, we have a continuing affirmative duty to comply with the Endangered Species Act (ESA). This includes a substantive duty to carry out any agency action in a manner that is not likely to jeopardize protected species as well as a procedural duty to consult with the Fish and Wildlife Service (FWS) and National Oceanic and Atmospheric Administration Fisheries (NOAA Fisheries) before engaging in a discretionary action that may affect a protected species.
