In addition, it assures farmers and ranchers who are members of socially disadvantaged groups equitable participation in the full range of agriculture programs offered by the Department.

SUPPLEMENTARY INFORMATION:

I. Introduction

The FCEA amended the Department of Agriculture Reorganization Act of 1994, to establish OAO. In addition, the FCEA amended Section 2501(a) of the FACT Act, to transfer the OASDFR Program to OAO and to authorize mandatory funding for this program for Fiscal Year (FY) 2009 through FY 2012. The purpose of this rulemaking is to establish general regulations governing awards management procedures for all OAO award programs. This rulemaking will also establish specific regulations governing the OASDFR Program awards management procedures.

II. Administration Requirements

Executive Orders 12866 & 13563

This action has been determined not significant for the purposes of Executive Orders 12866 and 13563, and therefore, has not been reviewed by the Office of Management and Budget. This interim rule will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency. It will not materially alter the budgetary impact of entitlements, grants, user fees, or loan

programs. It will not have an annual effect on the economy of \$100 million or more, nor will it adversely affect the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities in a material way. Furthermore, it does not raise a novel legal or policy issue arising out of legal mandates, the President's priorities or principles set forth in the Executive Order.

Regulatory Flexibility Act of 1980

This interim rule has been reviewed in accordance with the Regulatory Flexibility Act of 1980, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601-612. The Department concluded that the rule will not have a significant economic impact on a substantial number of small entities. The rule does not involve regulatory and informational requirements regarding businesses, organizations, and governmental jurisdictions subject to regulation.

Paperwork Reduction Act (PRA)

The Department certifies that this interim rule has been assessed in accordance with the requirements of the Paperwork Reduction Act, 44 U.S.C. 2501 *et seq.*, (PRA). The Department concludes that this interim rule does not impose any new information requirements.

Catalog of Federal Domestic Assistance

This interim regulation applies to Federal assistance programs administered by OAO, including 10.443, Outreach and Assistance for Socially Disadvantaged Farmers and Ranchers and 10.465, Farmworker Training Grants.

Unfunded Mandates Reform Act of 1995 and Executive Order 13132

The Department has reviewed this interim rule in accordance with the requirements of Executive Order No. 13132 and the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1501 *et seq.*, and has found no potential or substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. As there is no

Federal mandate contained herein that could result in increased expenditures by State, local, or tribal governments or by the private sector, the Department has not prepared a budgetary impact statement.

Executive Order 13175: Consultation and Coordination With Indian Tribal Governments

The Department has reviewed this interim rule in accordance with Executive Order 13175 and has determined that it does not have “tribal implications.” The interim rule does not “have substantial direct effects on one or more Indian tribes, on the relationship between the Federal government and Indian tribes, or on the distribution of power and responsibility between the Federal government and Indian tribes.”

III. Statutory Authority

Section 14013 of the FCEA establishes OAO. This section specifies the establishment and transfer of programs to OAO, including the Socially Disadvantaged Farmers Group, the Small Farms and Beginning Farmers and Ranchers Group, the Farmworker Coordinator, and other programs as determined by the Secretary. In addition, Section 14004 amended Section 2501(a) of the FACT Act to clarify the Secretary’s authority to engage in grants and other agreements to provide outreach and assistance for socially disadvantaged farmers and ranchers. Previously, the OASDFR Program (also known as 2501 Program) was administered by the National Institute of Food and Agriculture (NIFA). Section 14013 of the FCEA added Section 226B to the Department of Agriculture Reorganization Act of 1994 to transfer the OASDFR Program to OAO. The OASDFR Program provides outreach and technical assistance in a linguistically appropriate manner to encourage and assist current and prospective socially disadvantaged farmers, ranchers, and forest landowners in (1) owning and operating farms, ranches, and non-industrial forest lands; and (2) in participating equitably in the full range of agricultural programs offered by the Department.

IV. Section-by-Section Analysis

This interim rule will identify OAO awards management procedures for all competitive and noncompetitive award programs administered within OAO. General OAO awards management procedures are discussed in part 2500 subparts A, B, C, D and E. Part 2500 subpart F of this regulation provides

Award means financial assistance that provides support to accomplish a public purpose. Awards may be grants, cooperative agreements, or other assistance agreements.

Award agreement means the agreement between OAO and the awardee which sets forth the terms and conditions under which the OAO funds will be made available. Award agreement is used as a general term to describe grant agreements, cooperative agreements, and other assistance agreements.

Award closeout means the process by which the award operation is concluded at the expiration of the award period or following a decision to terminate the award.

Award period means the timeframe of the award from the beginning date to the ending date as defined in the award agreement.

Awardee means the entity designated in the grant agreement, cooperative agreement, or other assistance agreement as the legal entity to which the award is given.

Baseline monitoring is the minimum, basic monitoring that will take place on an ongoing basis throughout the lifetime of every award.

Beginning date means the date the award agreement is executed by the awardee and OAO and from which costs can be incurred.

Community-based organization means a nongovernmental organization with a well-defined constituency that includes all or part of a particular community.

Cooperative agreement means the award of funds to an eligible awardee to assist in meeting the costs of conducting a project which is intended and designed to accomplish the purpose of the program as identified in the RFP, and where substantial involvement is expected between OAO and the awardee when carrying out the activities included in the agreement. This agreement may also be referred to more generally as an award.

Department means the U.S. Department of Agriculture.

Disallowed costs means the use of Federal financial assistance funds for unauthorized activities or items as stipulated in the applicable Federal cost principles (2 CFR part 220, 2 CFR part 225, and 2 CFR part 230).

Ending date means the date the award agreement is scheduled to be completed. It is also the latest date award funds will be provided under the award agreement, without an approved time extension.

Participant means an individual or entity that participates in awardee-led activities funded under the award agreement. Furthermore, a participant is any individual or entity who has applied for, otherwise participated in, or received a payment, or other benefit as a result of participating in an activity funded by an OAO award.

Partnering means a joint effort among two or more eligible entities with the capacity to conduct projects intended and designed to accomplish the purpose of the program.

Program leader means the program supervisor within OAO.

Project Officer (PO) means an individual within OAO who is responsible for the programmatic oversight of the award on behalf of the Department.

Request for Proposals (RFP) means an official USDA funding opportunity. At OAO discretion, funding opportunities may be referred to as request for proposals, request for applications, notice of funding availability, or funding opportunity.

Review panel means an evaluation process involving qualified individuals within the relevant field to give advice

on the merit of proposals submitted to OAO.

Secretary means the Secretary of Agriculture and any other officer or employee of the Department of Agriculture to whom authority may be delegated.

§ 2500.011 Competition.

(a) *Standards for competition.* Except as provided in paragraph (b) of this section, OAO will enter into discretionary grants or cooperative agreement only after competition, unless restricted by statute.

(b) *Exception.* The OAO ADO may make a determination in writing that competition is not deemed appropriate for a particular transaction. Such determination shall be limited to transactions where it can be adequately justified that a noncompetitive award is in the best interest of the Federal Government and necessary to the goals of the program. Non-competitive determinations will comply with regulations established in 7 CFR 3015.158(d).

§ 2500.012 Requests for proposals.

(a) *General.* For each competitive grant or cooperative agreement, OAO will prepare a program solicitation (also called a request for proposals (RFP)). The RFP may include all or a portion of the following items:

- (1) Contact information.
- (2) Catalog of Federal Domestic Assistance (CFDA) number.
- (3) Legislative authority and background information.
- (4) Purpose, priorities, and fund availability.
- (5) Program-specific eligibility requirements.
- (6) Program-specific restrictions on the use of funds, if applicable.
- (7) Matching requirements, if applicable.
- (8) Acceptable types of proposals.
- (9) Types of projects to be given priority consideration, including maximum anticipated awards and maximum project lengths, if applicable.
- (10) Program areas, if applicable.
- (11) Funding restrictions, if applicable.
- (12) Directions for obtaining additional requests for proposals and proposal forms.
- (13) Information about how to obtain proposal forms and the instructions for completing such forms.
- (14) Instructions and requirements for submitting proposals, including submission deadline(s).
- (15) Explanation of the proposal evaluation process.
- (16) Specific evaluation criteria used in the review process.

(17) Type of Federal assistance awards (i.e., grants or cooperative agreements).

(b) *RFP variations.* Where program-specific requirements differ from the requirements established in this part, program solicitations will also address any such variation(s). Variations may occur in the following:

- (1) Award management guidelines.
- (2) Restrictions on the delegation of fiscal responsibility.
- (3) Required approval for changes to project plans.
- (4) Expected program outputs and reporting requirements, if applicable.
- (5) Applicable Federal statutes and regulations.
- (6) Confidential aspects of proposals and awards, if applicable.
- (7) Regulatory information.
- (8) Definitions.
- (9) Minimum and maximum budget requests and whether proposals outside of these limits will be returned without further review.

(c) *Program announcements.* Occasionally, OAO will issue a program announcement (PA) to alert potential applicants and the public about new and ongoing funding opportunities. These PAs may provide tentative due dates and are released without associated proposal packages. No proposals are solicited under a PA. PAs will be announced in the **Federal Register** or on the OAO Web site.

§ 2500.013 Types of proposals.

The type of proposal acceptable may vary by funding opportunity. The RFP will stipulate what will be required for submission to OAO in response to the funding opportunity.

§ 2500.014 Eligibility requirements.

Program-specific eligibility requirements appear in the subpart applicable to each program and in the corresponding RFPs.

§ 2500.015 Content of a proposal.

The RFP provides instructions on how to access a funding opportunity. The funding opportunity contains the proposal package, which includes the forms necessary for completion of a proposal in response to the RFP. The RFP will be posted on <http://www.Grants.gov>. OAO may also publish the RFP in the **Federal Register**.

§ 2500.016 Submission of a proposal.

The RFP will provide deadlines for the submission of proposals. OAO may issue separate RFPs and/or establish separate deadlines for different types of proposals, different award instruments, or different topics or phases of the

assistance programs. If proposals are not received by applicable deadlines, they will not be considered for funding. Exceptions will be considered only when extenuating circumstances exist, as determined by OAO, and justification and supporting documentation are provided by the applicant. Conformance with preparation and submission instructions is required and will be strictly enforced unless a deviation has been approved. OAO may establish additional requirements. OAO may return without review proposals that are not consistent with the RFP instructions.

§ 2500.017 Confidentiality of proposals and awards.

(a) *General.* Names of entities submitting proposals, as well as proposal contents and evaluations, except to those involved in the review process, will be kept confidential to the extent permissible by law.

(b) *Identifying confidential and proprietary information in a proposal.* If a proposal contains proprietary information that constitutes a trade secret, proprietary commercial or financial information, confidential personal information, or data affecting the national security, it will be treated in confidence to the extent permitted by law, provided that the information is clearly marked by the applicant with the term “confidential and proprietary information.” In addition, the following statement must be included at the bottom of the project narrative or any other attachment included in the proposal that contains such information: “The following pages (specify) contain proprietary information which (name of proposing organization) requests not to be released to persons outside the Government, except for purposes of evaluation.”

(c) *Disposition of proposals.* By law, OAO is required to make the final decisions as to whether the information is required to be kept in confidence. Information contained in unsuccessful proposals will remain the property of the applicant. However, the Department will retain for three years one file copy of each proposal received; extra copies will be destroyed. Public release of information from any proposal submitted will be subject to existing legal requirements. Any proposal that is funded will be considered an integral part of the award and normally will be made available to the public upon request, except for information designated proprietary by OAO.

(d) *Submission of proprietary information.* The inclusion of proprietary information is discouraged

unless it is necessary for the proper evaluation of the proposal. If proprietary information is to be included, it should be limited, set apart from other text on a separate page, and keyed to the text by numbers. It should be confined to a few critical technical items that, if disclosed, could jeopardize the obtaining of foreign or domestic patents. Trade secrets, salaries, or other information that could jeopardize commercial competitiveness should be similarly keyed and presented on a separate page. Proposals or reports that attempt to restrict dissemination of large amounts of information may be found unacceptable by OAO and constitute grounds for return of the proposal without further consideration. Without assuming any liability for inadvertent disclosure, OAO will limit dissemination of such information to its employees and, where necessary for the evaluation of the proposal, to outside reviewers on a confidential basis.

§ 2500.018 Electronic submission.

Applicants and awardees are encouraged, but not required, to submit proposals and reports in electronic form as prescribed in the RFP issued by OAO and in the applicable award agreement.

Subpart C—Pre-Award: Proposal Review and Evaluation

§ 2500.021 Guiding principles.

The guiding principle for Federal assistance proposal review and evaluation is to ensure that each proposal is treated in a consistent and fair manner. After the evaluation process by the review panel, OAO will provide an opportunity for applicant feedback in as timely a manner as possible.

§ 2500.022 Preliminary proposal review.

Prior to technical examination, a preliminary review will be made of all proposals for responsiveness to the administrative requirements set forth in the RFP. Proposals that do not meet the administrative requirements may be eliminated from program competition. However, OAO retains the right to conduct discussions with applicants to resolve technical and/or budget issues, as deemed necessary by OAO.

§ 2500.023 Selection of reviewers.

(a) *Requirement.* OAO is responsible for performing a review of proposals submitted to OAO competitive award programs. The RFP will identify the criteria that OAO will use for the selection of the proposal review panel.

(b) *Confidentiality.* The identities of reviewers will remain confidential to the maximum extent possible. Therefore, the names of reviewers will

not be released to applicants. Names of applicants, as well as proposal content and evaluation comments will be kept confidential to the extent permitted by law, except to those involved in the review process. Reviewers will comply with the above-mentioned confidentiality guidelines.

(c) *Conflicts of interest.* During the evaluation process, extreme care will be taken to prevent any actual or perceived conflicts of interest that may impact review or evaluation. Reviewers are expected to be in compliance with the Conflict-of-Interest process made a part of the RFP.

§ 2500.024 Evaluation criteria.

(a) *General.* To ensure any project receiving funds from OAO is consistent with the broad goals of the funding program, the content of each proposal submitted to OAO will be evaluated based on a pre-determined set of review criteria as indicated in the RFP.

(b) *Guidance for reviewers.* In order that all potential applicants for a program have similar opportunities to compete for funds, all reviewers will receive an orientation from the Program Leader of the review criteria. Reviewers are instructed to use those same evaluation criteria, and only those criteria, to judge the merit of the proposals they review.

§ 2500.025 Procedures to minimize or eliminate duplication of effort.

OAO may implement appropriate business processes to minimize or eliminate the awarding of Federal assistance to projects that unnecessarily duplicate activities already being sponsored under other awards, including awards made by other Federal agencies.

§ 2500.026 Applicant feedback.

Unsuccessful applicants may submit a request for applicant feedback in writing to OAO within 10 days after receiving written notice of not being selected for further processing. Applicant feedback requests are to be mailed to the Program Leader at the address below, unless otherwise stated in the “Notice of Non-Selection” or in the RFP. At OAO’s discretion, either written or oral feedback will be provided to unsuccessful applicants.

U.S. Department of Agriculture, Departmental Management, Office of Advocacy and Outreach, Attn: Program Leader (Applicant Feedback), Whitten Building, Rm. 520-A, stop 9821, 1400 Independence Avenue, SW., Washington, DC 20250-9821.

Subpart D—Award**§ 2500.031 Administration.**

(a) *General.* Within the limit of funds available for such purpose, the OAO ADO shall make Federal assistance awards to those responsible, eligible applicants whose proposals are judged most meritorious under the procedures set forth in the RFP. The date specified by the OAO ADO as the effective date of the award shall be no later than September 30th of the Federal fiscal year in which the project is approved for support and funds are appropriated for such purpose, unless otherwise permitted by law. It should be noted that the project need not be initiated on the award effective date, but as soon thereafter as practical so that project goals may be attained within the funded project period. All funds awarded by OAO shall be expended solely for the purpose for which the funds are awarded in accordance with the approved statement of work and budget, the regulations, the terms and conditions of the OAO award agreement, the applicable Federal cost principles, and the Department's assistance regulations (e.g., 7 CFR parts 3015, 3016, and 3019).

(b) *Award agreement.* The award agreement and accompanying terms and conditions will provide pertinent instructions and information including, at a minimum, the following:

- (1) Legal name and address of performing organization or institution to which OAO has awarded a grant or cooperative agreement.
- (2) Title of project.
- (3) Name(s) of Project Director(s).
- (4) Identifying award number assigned by OAO.
- (5) Project period.
- (6) Total amount of OAO financial assistance approved.
- (7) Legal authority under which the grant or cooperative agreement is awarded.
- (8) Appropriate CFDA number.
- (9) Approved budget plan (that may be referenced).
- (10) Terms and Conditions

Subpart E—Post-Award and Closeout**§ 2500.041 Payment.**

(a) *General.* All payments will be made in advance unless a deviation is accepted or as specified in paragraph (b) of this section. All payments to the awardee shall be made via the approved electronic funds transfer (EFT) method. Awardees are expected to request funds via the federally-approved electronic payment system for reimbursement in a timely manner. Exact payment method

will be described in the terms and conditions of the award agreement.

(b) *Reimbursement method.* OAO shall use the reimbursement method if it determines that advance payment is not feasible or that the awardee does not maintain or demonstrate the willingness to maintain written procedures that minimize the elapse of time between the transfer of funds and disbursement by the awardee, and financial management systems that meet the standards for fund control and accountability.

§ 2500.042 Cost sharing and matching.

(a) *General.* Awardees may be required to match the Federal funds received under an OAO award. The required percentage of matching, type of matching (e.g., cash and/or in-kind contributions), sources of match (e.g., non-Federal), and whether OAO has any authority to waive the match will be specified in the subpart applicable to the specific Federal assistance program, as well as in the RFP.

(b) *Indirect costs as in-kind matching contributions.* Indirect costs may be claimed under the Federal portion of the award budget. However, unless explicitly authorized in the RFP, indirect costs may not be claimed on both the Federal and nonfederal portion of the award budget.

§ 2500.043 Program income.

(a) *General.* OAO shall apply the standards set forth in this subpart in requiring awardee organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) *Addition method.* Unless otherwise provided in the authorizing statute, in accordance with the terms and conditions of the award, program income earned during the project period shall be retained by the awardee and shall be added to funds committed to the project by OAO and the awardee and used to further eligible project or program objectives. Any specific program deviations will be identified in the individual subparts.

(c) *Award terms and conditions.* Unless the program regulations identified in the individual subpart provide otherwise, awardees shall follow the terms and conditions of the OAO award. Such terms and conditions will be made a part of the OAO award agreement.

§ 2500.044 Indirect costs.

Indirect cost rates for grants and cooperative agreements shall be determined in accordance with the applicable assistance regulations and

cost principles, unless superseded by another authority.

§ 2500.045 Technical reporting.

All projects supported with Federal funds under this part must be documented according to the terms and conditions of the OAO award agreement.

§ 2500.046 Financial reporting.

(a) *SF-425, Federal Financial Report.* As stated in the award terms and conditions of the OAO award agreement, a final SF-425, Federal Financial Report, is due 90 days after the expiration of the award and should be submitted to OAO electronically. The awardee shall report program outlays and program income on the same accounting basis (i.e., cash or accrual) that it uses in its normal accounting system. When submitting a final SF-425, Federal Financial Report, the total matching contribution, if required, should be shown in the report. The final SF-425 must not show any unliquidated obligations. If the awardee still has valid obligations that remain unpaid when the report is due, it shall request an extension of time for submitting the report pursuant to paragraph (c) of this section; submit a provisional report (showing the unliquidated obligations) by the due date; and submit a final report when all obligations have been liquidated, but no later than the approved extension date. SF-425, Federal Financial Reports, must be submitted by all awardees, including Federal agencies and national laboratories.

(b) *Awards with required matching.* For awards requiring a matching contribution, an annual SF-425, Federal Financial Report, is required and this requirement will be indicated in the terms and conditions of the OAO award agreement, in which case it must be submitted no later than 45 days following the end of the budget or reporting period.

(c) *After the due date.* Requests are considered late when they are submitted after the 90-day period following the award expiration date. Requests to submit a late final SF-425, Federal Financial Report, will only be considered, up to 30 days after the due date, in extenuating circumstances. This request should include a provisional report pursuant to paragraph (a) of this section, as well as an anticipated submission date, a justification for the late submission, and a justification for the extenuating circumstances. If an awardee needs to request additional funds, procedures in paragraph (d) of this section apply.

(d) *Overdue SF-425, Federal Financial Reports.* Awardees with overdue SF-425, Federal Financial Reports, or other required financial reports (as identified in the award terms and conditions), will have their applicable balances in the approved federal electronic funds transfer system restricted or placed on “manual review,” which restricts the awardee’s ability to draw funds, thus requiring prior approval from OAO. If any remaining available balances are needed by the awardee (beyond the 90-day period following the award expiration date) and the awardee has not requested an extension to submit a final SF-425, Financial Status Report, the awardee will be required to contact OAO to request permission to draw any additional funds and will be required to provide justification and documentation to support the draw. Awardees also will need to comply with procedures in paragraph (c) of this section. OAO will approve these draw requests only in extenuating circumstances.

(e) *Additional reporting requirements.* OAO may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, OAO may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When OAO needs additional information or more frequent reports, a special provision will be added to the award terms and conditions and identified in the OAO award agreement. Should OAO determine that an awardee’s accounting system is inadequate, additional pertinent information to further monitor awards may be requested from the awardee until such time as the system is brought up to standard, as determined by OAO. This additional reporting requirement will be required via a special provision to the award terms and conditions of the OAO award agreement.

§ 2500.047 Project meetings.

In addition to reviewing and monitoring the status of progress and final technical reports and financial reports, OAO Project Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize OAO funding of unneeded duplicative project

activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFP or award document.

§ 2500.048 Review of disallowed costs.

(a) *Notice.* If the OAO Project Officer (PO) determines that there is a basis for disallowing a cost, OAO shall provide the awardee written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(b) *Awardee response.* Within 60 days of receiving written notice of the PO’s intent to disallow the cost, the awardee may respond with written evidence and arguments to show the cost is allowable, or that, for equitable, practical, or other reasons, shall not recover all or part of the amount, or that the recovery should be made in installments. An extension of time will be granted only in extenuating circumstances.

(c) *Decision.* Within 60 days of receiving the awardee’s written response to the notice of intent to disallow the cost, the PO shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal that has been provided under this section. If the awardee does not respond to the written notice under paragraph (a) of this section within the time frame specified in paragraph (b) of this section, the PO shall issue a management decision on the basis of the information available to it. The management decision shall constitute the final action with respect to whether the cost is allowed or disallowed. In the case of a questioned cost identified in the context of an audit subject to 7 CFR part 3052, the management decision will constitute the management decision under 7 CFR 3052.405(a).

(d) *Demand for payment.* If the management decision under paragraph (c) of this section constitutes a finding that the cost is disallowed and, therefore, that a debt is owed to the Government, the PO shall provide the required demand and notice pursuant to 7 CFR 3.11.

(e) *Review process.* Within 60 days of receiving the demand and notice referred to in paragraph (d) of this section, the awardee may submit a written request to the OAO Director for a review of the final management decision that the debt exists and the amount of the debt. Within 60 days of receiving the written request for a review, the OAO Director will issue a final decision regarding the debt. A review by the OAO Director or designee

constitutes an administrative review for debts under 7 CFR part 3, subpart F.

§ 2500.049 Prior approvals.

(a) *Subcontracts.* No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) *No-cost extensions of time—(1) General.* Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify OAO in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.

(2) *Additional requests for no-cost extensions of time before expiration date.* When more than one no-cost extension of time or an extension of more than 12 months is required, the extension(s) must be approved in writing by the PO. The awardee must submit a written request, which must be received no later than 10 days prior to the expiration date of the award, to the PO. The request must contain, at a minimum, the following information: The length of the additional time required to complete the project objectives and a justification for the extension; a summary of the progress to date; an estimate of the funds expected to remain unobligated on the scheduled expiration date; a projected timetable to complete the portion(s) of the project for which the extension is being requested; and signature of the AOR and the PD.

(3) *Requests for no-cost extensions of time after expiration date.* OAO may consider and approve requests for no-cost extensions of time up to 120 days following the expiration of the award. These will be approved only for extenuating circumstances, as determined by OAO. The awardee’s AOR must submit the requirements identified under paragraph (b)(2) of this section as well as an “extenuating circumstance” justification and a description of the actions taken by the

awardee to minimize these requests in the future.

(4) *Other requirements.* No-cost extensions of time may not be exercised merely for the purpose of using unobligated balances.

§ 2500.050 Suspension, termination, and withholding of support.

(a) *General.* If an awardee has failed to materially comply with the terms and conditions of the award, OAO may take certain enforcement actions, including, but not limited to, suspending the award pending corrective action and terminating the award for cause.

(b) *Suspension.* OAO generally will suspend (rather than immediately terminate) an award to allow the awardee an opportunity to take appropriate corrective action before OAO makes a termination decision. OAO may decide to terminate the award if the awardee does not take appropriate corrective action during the period of suspension. OAO may terminate, without first suspending, the award if the deficiency is so serious as to warrant immediate termination. Termination for cause may be appealed under the terms and conditions identified in the OAO award agreement.

(c) *Termination.* An award also may be terminated, partially or wholly, by the awardee or by OAO with the consent of the awardee. If the awardee decides to terminate a portion of the award, OAO may determine that the remaining portion of the award will not accomplish the purposes for which the award was originally made. In any such case, OAO will advise the awardee of the possibility of termination of the entire award and allow the awardee to withdraw its termination request. If the awardee does not withdraw its request for partial termination, OAO may initiate procedures to terminate the entire award for cause.

§ 2500.051 Debt collection.

The collection of debts owed to OAO by awardees, including those resulting from cost disallowances, recovery of funds, unobligated balances, or other circumstances, are subject to the Department's debt collection procedures as set forth in 7 CFR part 3, and, with respect to cost disallowances, § 2500.048.

§ 2500.052 Award appeals procedures.

(a) *General.* OAO permits awardees to appeal certain adverse post-award administrative decisions made by OAO. Such adverse decisions include: Termination, in whole or in part, and determination that an award is void. An award may be terminated for failure of

the awardee to carry out its approved project in accordance with the applicable law and the terms and conditions of award; or for failure of the awardee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the award. Additionally, an award may be determined to be void if, for example, it was not authorized by statute or regulation or because it was fraudulently obtained. Appeals of determinations regarding the allowability of costs are subject to the procedures in § 2500.048.

(b) *Appeal Procedures.* The formal notification of an adverse determination will contain a statement of the awardee's appeal rights. To appeal an adverse determination, the awardee must submit a request for review to the OAO official specified in the notification, detailing the nature of the disagreement with the adverse determination and providing supporting documents in accordance with the procedures contained in the notification. The awardee's request to OAO for review must be received within 60 days after receipt of the written notification of the adverse determination; however, an extension may be granted if the awardee can show good cause why an extension is warranted. OAO will carefully consider the merits of all requests for appeals and further reviews. However, at the conclusion of the OAO appeal review process, the OAO decision rendered on the appeal is considered final. The awardee will be notified in writing by OAO of final appeal review determinations.

§ 2500.053 Expiring appropriations.

(a) *OAO awards supported with office appropriations.* Most OAO awards are supported with annual appropriations. On September 30th of the 5th fiscal year after the period of availability for obligation ends, the funds for these appropriations accounts expire per 31 U.S.C. 1552 and the account is closed, unless otherwise specified by law. Funds that have not been drawn through the approved electronic funds transfer system, by the awardee or disbursed through any other system or method by August 31st of that fiscal year are subject to be returned to the U.S. Department of the Treasury after that date. The August 31st requirement also applies to awards with a 90-day period concluding on a date after August 31st of that fifth year. Appropriations cannot be restored after expiration of the accounts. More specific instructions are provided in the OAO award terms and conditions.

(b) *OAO awards supported with funds from other Federal agencies (reimbursable funds).* OAO may require that all draws and reimbursements for awards supported with reimbursable funds (from other Federal agencies) be completed prior to June 30th of the 5th fiscal year after the period of availability for obligation ends to allow for the proper billing, collection, and close-out of the associated interagency agreement before the appropriations expire. The June 30th requirement also applies to awards with a 90-day period concluding on a date after June 30th of that fifth year. Appropriations cannot be restored after expiration of the accounts. More specific instructions are provided in the terms and conditions of the OAO award agreement.

§ 2500.055 Audit.

Awardees must comply with the audit requirements of 7 CFR part 3052. The audit requirements apply to the years in which Federal financial assistance funds are received and years in which work is accomplished using these funds.

§ 2500.056 Civil rights.

Awardees must comply with the civil rights requirements of 7 CFR part 15, subpart A—USDA implementation of Title VI of the Civil Rights Act of 1964, as amended. In accordance, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the recipient receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement.

Subpart F—Outreach and Assistance For Socially Disadvantaged Farmers and Ranchers Program

§ 2500.101 Applicability of regulations.

The regulations in this subpart apply to the Outreach and Assistance for Socially Disadvantaged Farmers and Ranchers (OASDFR) Program authorized under section 2501 of the Food, Agriculture, Conservation and Trade Act of 1990 (7 U.S.C. 2279), as amended. BILLING CODE 3412-89-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2011-0750; Airspace Docket No. 11-AAL-08]

Revision of Class E Airspace; Umiat, AK

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action revises Class E airspace at Umiat, AK, due to the cancellation of two special instrument approach procedures at the Umiat Airport. The cancellation of these two special instrument approach procedures has made the transition airspace from 700 feet above the surface no longer necessary for the safety of Instrument Flight Rules (IFR) operations.

DATES: Effective 0901 UTC, December 15, 2011. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

FOR FURTHER INFORMATION CONTACT: Martha Dunn, AAL-538G, Federal Aviation Administration, 222 West 7th Avenue, Box 14, Anchorage, AK 99513-7587; telephone number (907) 271-5898; fax: (907) 271-2850; e-mail: Martha.ctr.Dunn@faa.gov. SUPPLEMENTARY INFORMATION:

History

On Wednesday, August 10, 2011, the FAA published a notice of proposed rulemaking (NPRM) in the **Federal Register** to revise Class E airspace at Umiat, AK (76 FR 49387).

Interested parties were invited to participate in this rulemaking proceeding by submitting written

comments on the proposal to the FAA. One comment was made regarding a typing error within the final rule. This error has been corrected.

The Class E airspace areas are published in paragraphs 6002 and 6005, respectively, of FAA Order 7400.9V, *Airspace Designations and Reporting Points*, signed September 9, 2011, and effective September 15, 2011, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order. With the exception of editorial changes, and the changes described above, this rule is the same as that proposed in the NPRM.

The Rule

This action amends Title 14 Code of Federal Regulations (14 CFR) part 71 by revising Class E airspace at the Umiat Airport, Umiat, AK, due to the cancellation of two special instrument approach procedures. The Class E airspace extending upward from 700 above the surface is no longer necessary for the safety and management of IFR operations at the airport.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Because this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle 1, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority.

This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart 1, Section 40103, Sovereignty and use of airspace. Under that section, the FAA is charged with prescribing regulations to ensure the safe and efficient use of the navigable airspace. This regulation is within the scope of that authority because it reflects the changes in use of
