Background

ISA, as amended by CISADA, requires the Secretary of State, pursuant to authority delegated by the President, to impose or waive sanctions on persons determined to have made certain investments in Iran's energy sector or to have engaged in certain activities relating to Iran's refined petroleum sector. Executive Order 13574 of May 23, 2011, "Authorizing the Implementation of Certain Sanctions Set Forth in the Iran Sanctions Act of 1996, as Amended," requires the Secretary of the Treasury, pursuant to authority under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706), to implement certain of the sanctions imposed by the Secretary of State under ISA, as amended by CISADA.

The five ISA sanctions that the Secretary of the Treasury is responsible for implementing are: (i) With respect to section 6(a)(3) of ISA, to prohibit any United States financial institution from making loans or providing credits to a person sanctioned under ISA consistent with section 6(a)(3) of ISA; (ii) with respect to section 6(a)(6) of ISA, to prohibit any transactions in foreign exchange that are subject to the jurisdiction of the United States and in which a person sanctioned under ISA has any interest; (iii) with respect to section 6(a)(7) of ISA, to prohibit any transfers of credit or payments between financial institutions or by, through, or to any financial institution, to the extent

that such transfers or payments are subject to the jurisdiction of the United States and involve any interest of a person sanctioned under ISA; (iv) with respect to section 6(a)(8) of ISA, to block all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any United States person, including any overseas branch, of a person sanctioned under ISA, and provide that such property and interests in property may not be transferred, paid, exported, withdrawn, or otherwise dealt in; and (v) with respect to section 6(a)(9) of ISA, to restrict or prohibit imports of goods, technology, or services, directly or indirectly, into the United States from a person sanctioned under ISA.

The Secretary of State recently imposed ISA sanctions on eight persons. See 76 FR 56,866 (Sept. 14, 2011), which provides the names of the eight persons subject to sanctions, as well as a complete list of the sanctions imposed on each person. Pursuant to Executive Order 13574, the Secretary of the Treasury is responsible for implementing certain of the sanctions imposed by the Secretary of State. Accordingly, the Director of OFAC, acting pursuant to delegated authority, has taken the actions described below to implement those sanctions set forth in Executive Order 13574 with respect to the seven persons listed below.
