

designated these changes to be operative on December 1, 2011.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act¹⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁵ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

The Exchange believes that it is reasonable to lower the fees for cabinet trades to incentivize members to transact cabinet trades. The proposed fees for cabinet trades would be lower for all market participants, except Customers who will remain free of charge. The Exchange believes that it is reasonable, equitable and not unfairly discriminatory to not assess Customers a fee for transacting cabinet trades because Customer order flow attracts liquidity to the Exchange which in turn benefits of all market participants. The Exchange believes that it is equitable and not unfairly discriminatory to amend and lower fees for cabinet trades because all market participants will be assessed a uniform transaction fee, with the exception of Customers who will not be assessed a fee. The Chicago Board Options Exchange, Incorporated assesses fees for cabinet trading that are within the range of fees proposed by the Exchange.¹⁶

The Exchange operates in a highly competitive market comprised of nine U.S. options exchanges in which sophisticated and knowledgeable market participants readily can, and do, send order flow to competing exchanges if they deem fee levels at a particular exchange to be excessive. The Exchange believes that the proposed fee must be competitive with fees offered on other options exchanges. The Exchange believes that this competitive marketplace impacts the fees present on the Exchange today and influences the proposals set forth above.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
