FOR FURTHER INFORMATION CONTACT: Julia Farr, (202) 245-0359. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at: 1-(800) 877-8339.] Copies of written comments will be available for viewing and self-copying at the Board's Public Docket Room, Room 131, and will be posted to the Board's Web site.

SUPPLEMENTARY INFORMATION: UP's petition requests a declaratory order regarding Items 50 and 60 of UP Tariff 6607, "General Rules for Movement of Toxic or Poison Inhalation Commodity Shipments over the Lines of the Union Pacific Railroad," which are attached as an exhibit to the petition. These tariff provisions require TIH shippers to indemnify UP against all liabilities except those caused by the sole, contributory, or concurring negligence or fault of UP. UP's petition raises questions about what constitutes a reasonable request for service involving transportation of TIH under 49 U.S.C.

1101(a) and what rules and practices a rail carrier can reasonably establish in its response to a request to transport TIH under 49 U.S.C. 10702.

Under 5 U.S.C. 554(e), the Board has discretionary authority to issue a declaratory order to terminate a controversy or remove uncertainty. The issues raised by UP merit further consideration, and a declaratory order proceeding is thus instituted here. Due to the significance of this matter to TIH shippers, railroads, and other interested parties, we are opening this declaratory order proceeding for public participation. Any person seeking to comment on the issues raised in UP's petition may submit written comments to the Board pursuant to the schedule and procedures set forth in this notice. For further information, please see the Board's decision served on December 12, 2011, in Docket No. FD 35504.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: December 8, 2011.

By the Board, Chairman Elliott, Vice Chairman Begeman, and Commissioner Mulvey.

Jeffrey Herzig,
Clearance Clerk.
