SUPPLEMENTARY INFORMATION:

I. Abstract

These collections help support the educational efforts for American Indian and Alaska Native students from elementary through post-secondary levels. The collections help fulfill the trust responsibility of the Secretary of the Department of the Interior and the Assistant Secretary—Indian Affairs, as delegated under 25 U.S.C. 2 and 9, and 209 DM 8.

Application for Admission to Haskell & SIPI

The BIE is requesting renewal of OMB approval for the admission forms for Haskell and SIPI. These admission forms are used in determining program eligibility of American Indian and Alaska Native students for educational services. These forms are utilized pursuant to the Blood Quantum Act, Public Law 99–228; the Snyder Act, Chapter 115, Public Law 67–85; and, the Indian Appropriations of the 48th Congress, Chapter 180, page 91, For Support of Schools, July 4, 1884.

Student Transportation Form

The BIE is requesting renewal of OMB approval for the Student Transportation Form. The Student Transportation regulations in 25 CFR part 39, subpart G, contain the program eligibility and criteria that govern the allocation of transportation funds. Information collected from the schools will be used to determine the rate per mile. The information collection provides transportation mileage for Bureau-funded schools, which determines the allocation of transportation funds.

Data Elements for Student Enrollment in Bureau-funded Schools

The BIE is requesting renewal of OMB approval for the Student Enrollment Application in Bureau-funded Schools. School registrars collect information on this form to determine the student's eligibility for enrollment in a Bureau-funded school, and if eligible, is shared with appropriate school officials to identify the student's base and supplemental educational and/or residential program needs. The BIE compiles the information into a national database to facilitate budget requests and the allocation of congressionally appropriated funds.
