Title: JADE Act.

OMB Number: 1651-0133.

Form Number: None.

Abstract: The Tom Lantos Block Burmese JADE Act of 2008 (JADE Act) prohibits the importation of "Burmese covered articles" (jadeite, rubies, and articles of jewelry containing jadeite or rubies mined or extracted from Burma), and sets forth conditions for the importation of "non-Burmese covered articles" (jadeite, rubies, and articles of jewelry containing jadeite or rubies mined or extracted from a country other than Burma).

In order to implement the provisions of this Act, CBP requires that the importer enter the specific HTSUS

subheading for jadeite, rubies or articles containing jadeite or rubies on the CBP Form 7501, *Entry Summary*, which serves as the importer's certification. In addition, at the time of entry, the importer must have in his or her possession a certification from the exporter certifying that the conditions of the JADE Act have been met. Importers must keep this certification in their records and make it available to CBP upon request.

This information collection is authorized by Public Law 110-286 and provided for by 19 CFR 12.151. Guidance regarding how to comply with the JADE Act is on the CBP Web site at: http://www.cbp.gov/linkhandler/cgov/trade/trade_programs/entry_summary/laws/public_law/jade_act.ctt/jade_act.pdf.
