LEGAL SERVICES CORPORATION**Request for Comments—Financial Eligibility Screening and Online Intake****AGENCY:** Legal Services Corporation.**ACTION:** Notice; request for comments.

SUMMARY: The Legal Services Corporation seeks public comment on a draft program letter discussing minimum screening requirements for LSC recipients to apply when determining financial eligibility of applicants based on information collected through online systems.

DATES: Written comments will be accepted until April 25, 2012.

ADDRESSES: Written comments may be submitted by mail, fax or email to Mark Freedman, Senior Assistant General Counsel, Legal Services Corporation, 3333 K St. NW., Washington, DC 20007; 202-295-1623 (phone); 202-337-6519 (fax); mfreedman@lsc.gov.

FOR FURTHER INFORMATION CONTACT:

Mark Freedman, Senior Assistant General Counsel, Legal Services Corporation, 3333 K St. NW., Washington, DC 20007; 202-295-1623 (phone); 202-337-6519 (fax); mfreedman@lsc.gov.

SUPPLEMENTARY INFORMATION: The Legal Services Corporation ("LSC" or "Corporation") was established by the United States Congress "for the purpose of providing financial support for legal assistance in noncriminal matters or proceedings to persons financially unable to afford such assistance." 42 U.S.C. 2996b(a). LSC performs this function primarily through providing federal funding to civil legal aid programs providing legal services to

low-income persons throughout the United States and its possessions and territories in geographic areas determined by LSC. Each LSC recipient must screen all applicants for LSC funded legal assistance to determine if they meet the recipient's financial eligibility requirements, which themselves must comply with the LSC financial eligibility requirements set forth at 45 CFR part 1611.

Over the last several years, LSC has seen a marked increase in the number of LSC grant recipients implementing online systems as part of their client-eligibility screening systems to improve efficiency in their intake processes. LSC has received a corresponding increase in compliance-related inquiries pertaining to these systems. LSC has prepared this draft program letter to assist LSC recipients in complying with eligibility screening requirements for all methods of intake, including online intake systems. It reflects LSC's obligation to ensure compliance with statutory and regulatory requirements governing the use of LSC funds, as well as LSC's recognition of the realities of practices in the field.

The draft program letter can be found in the "Matters for Comment" section of LSC's Web site at: <http://www.lsc.gov/about/matters-comment>.

LSC recognizes the importance of input from the public and from LSC recipients. It is LSC's intention that the Program Letter balance recognition of the advancements in technology with LSC's obligation to ensure compliance with the statutory and regulatory requirements governing the use of LSC funds. LSC encourages all interested parties and program staff whose work involves screening applicants to review the draft Program Letter and provide input to LSC. Interested parties may submit comments to LSC within thirty

(30) days of the date of publication of this notice.

Dated: March 20, 2012.

Victor M. Fortunio,*Vice President & General Counsel.*

NUCLEAR REGULATORY COMMISSION**Notice of Charter Renewal: Advisory Committee on the Medical Uses of Isotopes****AGENCY:** U.S. Nuclear Regulatory Commission.

ACTION: This notice is to announce the renewal of the Advisory Committee on the Medical Uses of Isotopes (ACMUI) for a period of two years.

SUPPLEMENTARY INFORMATION: The U.S. Nuclear Regulatory Commission (NRC) has determined that the renewal of the Charter for the Advisory Committee on the Medical Uses of Isotopes for the two year period commencing on March 14, 2012 is in the public interest, in connection with duties imposed on the Commission by law. This action is being taken in accordance with the Federal Advisory Committee Act, after consultation with the Committee Management Secretariat, General Services Administration.

The purpose of the ACMUI is to provide advice to NRC on policy and technical issues that arise in regulating the medical use of byproduct material for diagnosis and therapy. Responsibilities include providing guidance and comments on current and proposed NRC regulations and regulatory guidance concerning medical use; evaluating certain non-routine uses of byproduct material for medical use;

and evaluating training and experience of proposed authorized users. The members are involved in preliminary discussions of major issues in determining the need for changes in NRC policy and regulation to ensure the continued safe use of byproduct material. Each member provides technical assistance in his/her specific area(s) of expertise, particularly with respect to emerging technologies. Members also provide guidance as to NRC's role in relation to the responsibilities of other Federal agencies as well as of various professional organizations and boards.

Members of this Committee have demonstrated professional qualifications and expertise in both scientific and non-scientific disciplines including nuclear medicine; nuclear cardiology; radiation therapy; medical physics; nuclear pharmacy; State medical regulation; patient's rights and care; health care administration; and Food and Drug Administration regulation.

FOR FURTHER INFORMATION CONTACT:

Ashley Cockerham, Office of Federal and State Materials and Environmental Management Programs, U.S. Nuclear Regulatory Commission, Washington, DC 20555; Telephone (240) 888-7129; email Ashley.Cockerham@nrc.gov.

Dated: March 19, 2012.

Andrew L. Bates,

Federal Advisory Committee Management Officer.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 23c-1, SEC File No. 270-253, OMB Control No. 3235-0260.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 23c-1 (17 CFR 270.23c-1) under the Investment Company Act of 1940 (15 U.S.C. 80a), among other things, permits a closed-end fund to repurchase its securities for cash if in addition to the other requirements set forth in the rule: (i) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase; (ii) the asset coverage per unit of the security to be purchased is disclosed to the seller or his agent; and (iii) if the security is a stock, the fund has, within the preceding six months, informed stockholders of its intention to purchase stock. Commission staff estimates that approximately 29 closed-end funds rely on Rule 23c-1 annually to undertake 261 repurchases of their securities. Commission staff estimates that, on average, a fund spends 2.5 hours to comply with the paperwork requirements listed above each time it undertakes a security repurchase under the rule. Commission staff thus estimates the total annual burden of the rule's paperwork requirements is 653 hours.

In addition, the fund must file with the Commission a copy of any written solicitation to purchase securities given by or on behalf of the fund to 10 or more persons. The copy must be filed as an exhibit to Form N-CSR (17 CFR 249.331 and 274.128). The burden associated with filing Form N-CSR is addressed in the submission related to that form.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

Dated: March 20, 2012.

Kevin M. O'Neill,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66624]

Order Granting an Application of Edward Jones & Co. LLP Exemption From Exchange Act Section 11(d)(1) Pursuant to Exchange Act Section 36(a)

March 20, 2012.

By letter dated December 5, 2011, counsel for Edward Jones & Co., L.P. ("Edward Jones") requested that the Securities and Exchange Commission ("Commission") issue to Edward Jones an exemption from Section 11(d)(1) of the Securities Exchange Act of 1934 ("Exchange Act") pursuant to Section 36(a) of the Exchange Act. Specifically, the letter requested that the Commission exempt Edward Jones from the prohibitions of Section 11(d)(1) of the Exchange Act if Edward Jones extends to a customer margin on newly-purchased shares of mutual funds not managed or sponsored by Edward Jones or any affiliate of Edward Jones ("non-proprietary mutual funds") in instances in which the customer makes a dollar-for-dollar substitution by selling an already-margined non-proprietary mutual fund and buying another non-proprietary mutual fund on margin without incurring any fees, commissions or other costs for the transactions and without Edward Jones otherwise charging the respective customers any fees, commissions or other costs to effect the transactions.

We find that it is appropriate and in the public interest and consistent with the protection of investors to grant Edward Jones a conditional exemption from Section 11(d)(1) of the Exchange Act.

Conclusion

It is hereby ordered, pursuant to Section 36(a) of the Exchange Act, that Edward Jones, based on the representations and the facts presented in its letter and subject to the conditions contained in this order, is exempt from the new issue lending restriction of Section 11(d)(1) of the Exchange Act to the extent that Edward Jones extends to a customer margin on newly-purchased shares of non-proprietary mutual funds in instances in which the customer makes a dollar-for-dollar substitution by selling an already-margined non-
