FEDERAL COMMUNICATIONS COMMISSION

Information Collection(s) Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated

collection techniques or other forms of information technology; and (e) ways to further reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before June 25, 2012. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Judith B. Herman, Federal Communications Commission, via the Internet at Judith-b.herman@fcc.gov. To submit your PRA comments by email send them to: PRA@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Judith B. Herman, Office of Managing Director, (202) 418-0214.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0228.

Title: Section 80.58, Compulsory Ship Inspections and Ship Inspection Certificates.

Form Numbers: FCC Forms 806, 824, 827 and 829.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities, not-for-profit institutions, Federal Government, and state, local or tribal government.

Number of Respondents: 1,310 respondents; 1,310 responses.

Estimated Time per Response: .084 hours (5 minutes) up to 4 hours per response.

Frequency of Response: On occasion and every 5 year reporting requirements, recordkeeping requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. Sections 4, 303, 309, 332 and 362 of the Communications Act of 1934, as amended.

Total Annual Burden: 5,445 hours.

Total Annual Cost: N/A.

Privacy Impact Assessment: N/A.

Nature and Extent of Confidentiality: There is no need for confidentiality.

Needs and Uses: The Commission will submit this information collection

to the Office of Management and Budget (OMB) as a revision after this comment period to obtain the three year clearance from them.

The requirements contained in 47 CFR 80.59 of the Commission's rules are necessary to implement the provisions of Section 362(b) of the Communications Act of 1934, as amended, which require the Commission to inspect the radio installation of large cargo ships and certain passenger ships at least once a year to ensure that the radio installation is in compliance with the requirements of the Communications Act.

Further, Section 80.59(d) states that the Commission may, upon a finding that the public interest would be served, grant a waiver of the annual inspection required by Section 362(b) of the Communications Act of 1934, for a period of not more than 90 days for the sole purpose of enabling the United States vessel to complete its voyage and proceed to a port in the United States where an inspection can be held. An information application must be submitted by the ship's owner, operator or authorized agent. The application must be submitted to the Commission's District Director or Resident Agent in charge of the FCC office nearest the port of arrival at least three days before the ship's arrival. The application must provide specific information that is in rule section 89.59.

Additionally, the Communications Act requires the inspection of small passenger ships at least once every five years.

The Safety Convention (to which the United States is a signatory) also requires an annual inspection.

However the Safety Convention permits an Administrator to entrust the inspections to either surveyors nominated for the purpose or to organizations recognized by it. Therefore, the United States can have other parties conduct the radio inspection of vessels for compliance with the Safety Convention.

The Commission allows FCC-licensed technicians to conduct these inspections. FCC-licensed technicians certify that the ship has passed an inspection and issue a safety certificate. These safety certificates, FCC Forms 806, 824, 827 and 829 (approved under OMB Control Number 3060-0835) indicate that the vessel complies with the Communications Act and the Safety Convention. These technicians are required to provide a summary of the results of the inspection in the ship's log. In addition, the vessel's owner, operator, or ship's master must certify in

the ship's log that the inspection was satisfactory.

Inspection certificates issued in accordance with the Safety Convention must be posted in a prominent and accessible place on the ship (3rd party disclosure requirement).

Finally, the Commission seeks revision of this OMB control number because we are merging OMB Control Number 3060-0835 with this collection. We will retain OMB Control Number 3060-0228 as the active number and upon OMB approval voluntarily discontinue OMB Control Number 3060-0835.

Federal Communications Commission.

Secretary, Office of the Secretary, Office of Managing Director.
