

After considering the above, the Commission did not identify any proposed disbursements in the 2012 budget adopted by the PCAOB that are not properly recoverable through the annual accounting support fee, and the Commission believes that the aggregate proposed 2012 annual accounting support fee does not exceed the PCAOB's aggregate recoverable budget expenses for 2012. The Commission also acknowledges the PCAOB's updated strategic plan and looks forward to providing views to the PCAOB as future updates are made to the plan.

In light of the recent report on information technology ("IT") governance and staffing by the PCAOB's Office of Internal Oversight and Performance Assurance,⁵ the Commission understands that the PCAOB has recently taken, and plans to continue to take, significant steps designed to improve its IT program. These steps include IT staffing changes, conducting a review of the IT program, implementing IT governance structures, and strengthening Board oversight over its IT program. In addition to these important steps, the Commission directs the Board to continue to provide in its quarterly reports to the Commission detailed information about the state of the PCAOB's IT program, including planned, estimated, and actual costs for IT projects, and the level of involvement of consultants. These reports also should include: (a) a discussion of the Board's assessment of the progress and implementation of the Board actions mentioned above; and (b) the quarterly IT report that will be prepared by PCAOB staff and submitted to the Board.

The Commission also directs the PCAOB during the 2012 budget cycle to continue to include in its quarterly reports to the Commission information about the PCAOB's inspections program. Such information is to include: (a) Statistics relative to the numbers and types of firms budgeted and expected to be inspected in 2012, including by location and by year the inspections that are required to be conducted in accordance with the Sarbanes-Oxley Act and PCAOB rules; (b) information about the timing of the issuance of inspections reports for domestic and non-U.S. inspections; and

(c) updates on the PCAOB's efforts to establish cooperative arrangements with respective non-U.S. authorities for inspections required in those countries.

The Commission has determined that the PCAOB's 2012 budget and annual accounting support fee are consistent with Section 109 of the Sarbanes-Oxley Act. Accordingly,

It is ordered, pursuant to Section 109 of the Sarbanes-Oxley Act, that the PCAOB budget and annual accounting support fee for calendar year 2012 are approved.

By the Commission.

Kevin M. O'Neill,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66132; File No. SR-NYSEArca-2011-99]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Amending NYSE Arca Equities Rule 7.11, Which Provides for Trading Pauses in Individual Securities Due to Extraordinary Market Volatility, To Extend the Effective Date of the Pilot Until July 31, 2012

January 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 28, 2011, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 7.11, which provides for trading pauses in individual securities due to extraordinary market volatility, to extend the effective date of the pilot by which such rule operates from the current scheduled expiration date of January 31, 2012, until July 31, 2012. The text of the proposed rule change is

available at the Exchange, the Commission's Public Reference Room, and www.nyse.com.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rule 7.11, which provides for trading pauses in individual securities due to extraordinary market volatility, to extend the effective date of the pilot by which such rule operates from the current scheduled expiration date of January 31, 2012,³ until July 31, 2012.

NYSE Arca Equities Rule 7.11 requires the Exchange to pause trading in an individual security listed on the Exchange if the price moves by a specified percentage as compared to prices of that security in the preceding five-minute period during a trading day, which period is defined as a "Trading Pause." The pilot was developed and implemented as a market-wide initiative by the Exchange and other national securities exchanges in consultation with the Commission staff and is currently applicable to all NMS stocks and specified exchange-traded products.⁴

⁴ The Exchange notes that the other national securities exchanges and the Financial Industry Regulatory Authority have adopted the pilot in substantially similar form. The extension proposed herein would allow the pilot to continue to operate without interruption while the Exchange, other national securities exchanges and the Commission further assess the effect of the pilot on the marketplace or whether other initiatives should be adopted in lieu of the current pilot.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the change proposed herein meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements. Additionally, extension of the pilot until July 31, 2012 would allow the pilot to continue to operate without interruption while the Exchange and the Commission further assess the effect of the pilot on the marketplace or whether other initiatives should be adopted in lieu of the current pilot.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)(iii) thereunder.¹⁰
