

as part of the decision to bid or to participate in the bid. The GDIS must be submitted even if no proprietary/reprocessed geophysical data and information were used in bid preparation for the block.

In the event a company supplies any type of data to BOEM, that company must meet the following requirements to qualify for reimbursement:

1. The company must be registered with the Central Contractor Registration (CCR). The initial registration is valid for one year and must be updated annually thereafter. The Web site for registering is: <http://www.ccr.gov>. This requirement was implemented on October 1, 2003, and requires all entities doing business with the Federal Government to complete a business profile in the CCR. Payments are made electronically based on the banking information contained in the CCR. Therefore, if the company is not actively registered in the CCR, BOEM *will not* be able to reimburse or pay that company for any data supplied.

2. Effective May 1, 2011, the Department of the Interior is requiring all of its agencies and bureaus to use the Department of Treasury's Internet Payment Platform (IPP) for electronic invoicing. The Web site for registering is: <https://www.ipp.gov>. The company must enroll at the IPP Web site if it has not already done so. Access will then be granted to use IPP for submitting requests for payment. When a request for payment is submitted, it must include the assigned Purchase Order Number on the request.

3. In addition, the company must complete an on-line Representations and Certifications application at: www.bpn.gov. Even though the company may have never provided this information previously, it must now do so in order to do business with the Federal Government or receive reimbursement.

Note: The GDIS Information Table can be submitted digitally on a CD or DVD as an Excel Spreadsheet. If you have any questions, please contact Dee Smith at (504) 736-2706 or John Johnson at (504) 736-2455.

Force Majeure: The BOEM RD has the discretion to change any date, time, and/or location specified in the CPA Sale 216/222 Package in case of a force majeure event that the RD deems may interfere with the carrying out of a fair and proper lease sale process. Such events may include, but are not limited to, natural disasters (e.g., earthquakes, hurricanes, and floods), wars, riots, acts of terrorism, fire, strikes, civil disorder, or other events of a similar nature. In case of such events, bidders should call

(504) 736-0557 or access the BOEM Web site at: <http://www.boem.gov> for information about any changes.

Dated: May 10, 2012.

Director, Bureau of Ocean Energy
Management.
