SUPPLEMENTARY INFORMATION: *Title:* SSBCI Allocation Agreement for Participating States.

OMB Control Number: 1505-0227.

Abstract: The SSBCI Allocation Agreement for States, which is required by Title III of the Small Business Jobs Act of 2010 (Pub. L. 111-240, "the Act"), will memorialize the terms and conditions for funds made available to participating states under the SSBCI. Among other duties, included in the terms of this agreement is the requirement that all Participating States submit quarterly and annual reporting to Treasury which details the use of funds under the program. This

information is necessary in order to comply with reporting requirements established by the Act.

The SSBCI Allocation Agreement for Participating Municipalities is a modified version of the SSBCI Allocation Agreement for Participating States that contains additional specific provisions for municipalities participating in the SSBCI, principally: (a) A requirement that municipal applicants applying jointly for SSBCI funds shall document and provide to Treasury a copy of a cooperative agreement that details the roles and responsibilities among each municipality as a condition of closing; and (b) a requirement that, for any loans or investments made outside of the geographic borders of a Participating Municipality, that Participating Municipality shall warrant in writing that such a transaction will result in significant economic benefit to that municipality.

The SSBCI Application form will collect information from Participating States, territories, or municipalities that wish to request an amendment to their existing approved SSBCI Application throughout the term of the Allocation Agreement. This form will collect the following: (a) Information about proposed changes to the apportionment of SSBCI funds among programs; (b) program design information for proposed new programs; or, (c) proposed material changes to the design of programs. Only those participating states, territories, or municipalities that elect to request a modification to their original SSBCI Application will be required to complete this form.

The SSBCI Technical Assistance Quarterly Review collection is a voluntary collection from Participating States, territories, and municipalities that will be conducted telephonically on a quarterly basis and will not require a written submission to Treasury.

The SSBCI Technical Assistance Quarterly Review will collect the following: (a) Qualitative data related to program performance; (b) an assessment of program implementation status to date; and (c) an assessment any future challenges to program performance. This data will be used by Treasury to determine the types and methods through which to offer technical assistance to participants in order to assist states with meeting the program performance goals of achieving the private leverage expectations of the SSBCI.

Type of Review: Extension of a currently approved collection.

Affected Public: States, territories, the District of Columbia and municipalities

that were approved by Treasury to participate in the SSBCI.

Background

The Kingpin Act became law on December 3, 1999. In addition, the Secretary of the Treasury, in consultation with the Attorney General, the Director of the Central Intelligence Agency, the Director of the Federal Bureau of Investigation, the Administrator of the Drug Enforcement Administration, the Secretary of Defense, the Secretary of State, and the Secretary of Homeland Security may designate and block the property and interests in property, subject to U.S. jurisdiction, of persons who are found to be: (1) Materially assisting in, or providing financial or technological support for or to, or providing goods or services in support of, the international narcotics trafficking activities of a person designated pursuant to the Kingpin Act; (2) owned, controlled, or directed by, or acting for or on behalf of, a person designated pursuant to the Kingpin Act; or (3) playing a significant role in international narcotics trafficking.
