ACTION: Notice.

FOR FURTHER INFORMATION CONTACT: Michel Smyth by telephone at (202) 693-4129 (this is not a toll-free number) or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The ETA seeks to collect information from program participants and staff in the random assignment evaluation of the Reintegration of Ex-Offenders-Adult Program (RExO). This evaluation will examine the impact of comprehensive employment-centered services on newly released prisoners’ employment, earnings, and recidivism. The evaluation team will compare the outcomes of interest for RExO service recipients with those of eligible individuals who are randomly assigned to the control group and do not receive RExO services. The ETA requests approval to conduct two rounds of participant surveys to learn about participant characteristics and outcomes of RExO, a joint initiative launched in 2005 of the DOL, the Department of Justice (DOJ), and several other federal agencies. The purpose of the RExO, formerly known as the Prisoner Re-Entry Initiative (PRI), is to provide employment-centered services as well as case management, mentoring and a range of other supportive services to nonviolent offenders newly released from prison. The initiative builds on several earlier and ongoing federal reentry programs; including Weed and Seed, the Serious and Violent Offender Reentry Initiative, the Reentry Partnership Initiative, and, most directly, Ready4Work. RExO grantee programs follow a three-stage reentry framework that begins with pre-release services, progresses through structured reentry, and culminates in community reintegration.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number.
