

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket Number USCG–2012–0507]

RIN 1625–AA00

Safety Zone for Fireworks Display, Potomac River, National Harbor Access Channel; Oxon Hill, MD**AGENCY:** Coast Guard, DHS.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone upon specified waters of the Potomac River. This action is necessary to provide for the safety of life on navigable waters during a fireworks display launched from a floating platform located within the National Harbor Access Channel at Oxon Hill in Prince Georges County, Maryland. This safety zone is intended to protect the maritime public in a portion of the Potomac River.

DATES: This rule is effective from 8:00 p.m. on June 24, 2012, through 10:30 p.m. on June 25, 2012.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2012–0507]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Ronald L. Houck, Sector Baltimore Waterways Management Division, U.S. Coast Guard; telephone 410–576–2674, email Ronald.L.Houck@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTARY INFORMATION:**Table of Acronyms**

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it would be impracticable to publish an NPRM for this rule. The Coast Guard received the information about the event on April 30, 2012; delaying the effective date by first publishing an NPRM would be contrary to the safety zone’s intended objectives as well as to the public interest because immediate action is needed to protect persons and vessels against the hazards associated with a fireworks display on navigable waters. Such hazards include premature detonations, dangerous projectiles and falling or burning debris.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Due to the need for immediate action, the restriction of vessel traffic is necessary to protect life, property and the environment; therefore, a 30-day notice is impracticable. Delaying the effective date would be contrary to the safety zone’s intended objectives of as well as the public interest in protecting persons and vessels involved in the event, and enhancing public and maritime safety.

B. Basis and Purpose

Fireworks displays are frequently held from locations on or near the navigable waters of the United States. The potential hazards associated with fireworks displays are a safety concern during such events. The purpose of this rule is to promote public and maritime safety during a fireworks display, and to protect mariners transiting the area from the potential hazards associated with a fireworks display, such as the accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. This rule is needed to ensure safety on the waterway during the scheduled event.

C. Discussion of the Final Rule

Digital Lightning, of Kensington, Maryland, will conduct a fireworks

display launched from a floating platform located on the Potomac River, adjacent to the Gaylord National Resort Hotel, at Oxon Hill in Prince Georges County, Maryland scheduled on June 24, 2012 at approximately 9:30 p.m. If necessary, due to inclement weather, the fireworks display may be re-scheduled to take place on June 25, 2012 at approximately 9:30 p.m.

The Coast Guard is establishing a temporary safety zone on certain waters of the Potomac River, National Harbor Access Channel, within a 150 yards radius of a fireworks discharge platform in approximate position latitude 38°47′00″N, longitude 77°01′21″W, located at Oxon Hill in Prince Georges County, Maryland (NAD 1983). The temporary safety zone will be enforced from 8 p.m. through 10:30 p.m. on June 24, 2012 and, if necessary due to inclement weather, from 8 p.m. through 10:30 p.m. on June 25, 2012. The effect of this temporary safety zone will be to restrict navigation in the regulated area during, as well as the set up and take down of, the fireworks display. No person or vessel may enter or remain in the safety zone. Vessels will be allowed to transit the waters of the Potomac River outside the safety zone. Notification of the temporary safety zone will be provided to the public via marine information broadcasts.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. Although this safety zone will restrict some vessel traffic, there is little vessel traffic associated with commercial fishing in the area, and recreational boating in the area can transit waters outside the safety zone. In addition, the effect of this rule will not be significant because the safety zone is of limited duration and limited size. For the above reasons, the Coast Guard does not anticipate any significant economic impact.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to operate, transit, or anchor in a portion of the Potomac River, National Harbor Access Channel, located at Oxon Hill in Prince Georges County, Maryland from 8 p.m. through 10:30 p.m. on June 24, 2012 and, if necessary due to inclement weather, from 8 p.m. through 10:30 p.m. on June 25, 2012. This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. The safety zone is of limited size; this safety zone would be activated, and thus subject to enforcement, for only 2½ hours in the evening when vessel traffic is low; and vessel traffic could pass safely around the safety zone. In addition, before the activation of the zone, we will issue maritime advisories widely available to users of the waterway to allow mariners to make alternative plans for transiting the affected area.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves establishing a temporary safety zone. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0507 to read as follows:

§ 165.T05–0507 Safety Zone for Fireworks Display, Potomac River, National Harbor Access Channel; Oxon Hill, MD.

(a) *Regulated Area.* The following area is a safety zone: All waters of the Potomac River, National Harbor Access Channel, within a 150 yards radius of a fireworks discharge platform in approximate position latitude 38°47'00"N, longitude 77°01'21"W, located at Oxon Hill in Prince Georges County, Maryland (NAD 1983).

(b) *Regulations.* The general safety zone regulations found in 33 CFR 165.23 apply to the safety zone created by this temporary section, § 165.T05–0507.

(1) All vessels and persons are prohibited from entering this zone, except as authorized by the Coast Guard Captain of the Port Baltimore.

(2) Persons or vessels requiring entry into or passage within the zone must request authorization from the Captain of the Port or his designated representative by telephone at 410–576–2693 or on VHF–FM marine band radio channel 16.

(3) All Coast Guard assets enforcing this safety zone can be contacted on VHF–FM marine band radio channels 13 and 16.

(4) The operator of any vessel within or in the immediate vicinity of this safety zone shall:

(i) Stop the vessel immediately upon being directed to do so by any commissioned, warrant or petty officer on board a vessel displaying a Coast Guard Ensign, and

(ii) Proceed as directed by any commissioned, warrant or petty officer on board a vessel displaying a Coast Guard Ensign.

(c) *Definitions.* *Captain of the Port Baltimore* means the Commander, Coast Guard Sector Baltimore or any Coast Guard commissioned, warrant or petty officer who has been authorized by the Captain of the Port to act on his behalf.

Designated representative means any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port Baltimore to assist in enforcing the safety zone described in paragraph (a) of this section.

(d) *Enforcement.* The U.S. Coast Guard may be assisted by Federal, State and local agencies in the patrol and enforcement of the zone.

(e) *Enforcement period.* This section will be enforced from 8 p.m. through 10:30 p.m. on June 24, 2012 and, if necessary due to inclement weather, from 8 p.m. through 10:30 p.m. on June 25, 2012.

Dated: June 4, 2012.

Mark P. O'Malley,

Captain, U.S. Coast Guard, Captain of the Port Baltimore.

[Docket Number USCG–2012–0477]

RIN 1625–AA00

Safety Zones; Fireworks Displays in Captain of the Port Long Island Sound Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing fourteen safety zones for fireworks displays within the Captain of the Port (COTP) Long Island Sound Zone. This action is necessary to provide for the safety of life on navigable waters during these events. Entry into, transit through, mooring or anchoring within these zones is prohibited unless authorized by the COTP Sector Long Island Sound.

DATES: This rule is effective from June 23, 2012 until July 21, 2012.

This rule will be enforced during the specific dates and times listed in Table of § 165.T01–0477.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2012–0477]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Joseph Graun, Prevention Department, U.S. Coast

Guard Sector Long Island Sound, (203) 468–4544, Joseph.L.Graun@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366–9826.

A. Regulatory History and Information

The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because any delay encountered in this regulation’s effective date by publishing a NPRM would be contrary to public interest since immediate action is needed to provide for the safety of life and property on navigable waters from the hazardous nature of fireworks including unexpected detonation and burning debris. We spoke with each event sponsor and each indicated they were unable and unwilling to move their event date to a later time for the following reasons.

The sponsor for North Bay Fourth of July Fireworks stated they are unwilling to reschedule their event because it is held in conjunction with the Independence Day holiday. Many individuals have made holiday plans based on this fireworks event, changing the date would cause numerous cancelations and hurt small businesses.

Sponsors for Goren Wedding Fireworks, Goldstein Party Fireworks, National Golf Links Fireworks and Connetquot River Boat parade Fireworks were not aware of the requirements for submitting a marine event application 135 days in advance resulting in a late notification to the Coast Guard. The sponsors are now aware of this for future events. It is not viable for the sponsors to reschedule the event due to other activities being held in conjunction with these fireworks displays, including a wedding and
