

construction contract only if it can demonstrate to HUD's satisfaction that its bid is the lowest bid submitted in response to a public request for bids."

Granted by: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: February 29, 2012.

Reason Waived: The Housing Authority of the City of Tuscaloosa submitted an independent cost estimate.

Contact: Dominique Blom, Deputy Assistant Secretary for the Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20140, Room 4130, telephone (202) 402-4181.

• *Regulation:* 24 CFR 982.161.

Project/Activity: The Housing Authority of the City of Los Angeles (HACLA) requested, on July 21, 2011, a waiver to allow Commissioner Margarita Garr to continue to serve on their Board. She had served on the Board since 2008, but a potential conflict arose because she had also been employed by banks that do business with HACLA.

Nature of Requirement: HUD's regulation at 24 CFR 982.161 provides that neither a public housing agency (PHA) nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with a PHA's tenant-based programs in which persons specified in the regulation have an interest, direct or indirect, during the tenure of the contract or one year thereafter. With respect to HACLA, HUD determined that there was a potential conflict because 24 CFR 982.161 and Section 19 of the Annual Contributions Contract (ACC), which prevents PHAs from entering into any contract in which a member of their governing board has a direct or indirect interest.

Granted By: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: March 7, 2012.

Reason Waived: Because of the conflict between the regulation and the ACC, HUD determined that good cause existed to grant the waiver request.

Contact: Jessica Yuen, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW., Room 4210, Washington, DC, 20410, telephone (202) 708-6002.

• *Regulation:* 24 CFR 982.503(d) and 982.505(c)(3).

Project/Activity: Dodge County Housing Authority (DCHA), Dodge County, WI.

Nature of Requirement: HUD's regulation at 24 CFR 982.503(d) allows

HUD to consider a public housing agency's request for approval to establish a payment standard that is lower than the basic range of 90 to 110 percent of the published fair market rent for each/any bedroom size, but HUD will not approve such payment standard amounts if the family share for more than 40 percent of voucher participants exceeds 30 percent of monthly adjusted income. 24 CFR 982.505(c)(3) states that, if the amount on the payment standard schedule is decreased during the term of the housing assistance payments (HAP) contract, the lower payment standard amount generally must be used to calculate the monthly HAP for the family beginning on the effective date of the family's second regular reexamination following the effective date of the decrease.

Granted By: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: March 9, 2012.

Reason Waived: This waiver was granted because these cost-saving measures would enable the DCHA to manage its Housing Choice Voucher program within allocated budget authority and avoid the termination of HAP contracts due to insufficient funding.

Contact: Laure Rawson, Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW., Room 4210, Washington, DC, 20410, telephone (202) 708-0477.

• *Regulation:* 24 CFR 982.505(c)(3).

Project/Activity: Boonville Housing Authority (BHA), Boonville, NY.

Nature of Requirement: HUD's regulation at 24 CFR 982.505(c)(3) states that, if the amount on the payment standard schedule is decreased during the term of the housing assistance payments (HAP) contract, the lower payment standard amount generally must be used to calculate the monthly HAP for the family beginning on the effective date of the family's second regular reexamination following the effective date of the decrease.

Granted By: Sandra B. Henriquez, Assistant Secretary for Public and Indian Housing.

Date Granted: January 30, 2012.

Reason Waived: This waiver was granted because this cost-saving measure would enable the BHA to manage its Housing Choice Voucher program within allocated budget authority and avoid the termination of HAP contracts due to insufficient funding.

Contact: Laure Rawson, Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street SW., Room 4210, Washington, DC 20410, telephone (202) 708-0477.
