(3) If a crack is found during any of the inspections required by this AD, remove the propeller shaft from service before the next flight.

(g) Installation Prohibition

After the effective date of this AD, do not install any propeller shaft S/Ns listed in Table 1 of P&WC ASB No. PW100-72-A21802, Revision 4, dated March 16, 2012, into any engine.

Homeowners Assistance Program—Application Processing

AGENCY: Under Secretary of Defense for Acquisition, Technology, and Logistics, Office of the Deputy Under Secretary of Defense (Installations and Environment), DoD.

ACTION: Direct final rule.

SUMMARY: This direct final rule makes non-substantive changes to the Expanded Homeowners Assistance Program (HAP) rule. The Expanded HAP, authorized in the American Recovery and Reinvestment Act for 2009 (“the Act”), provided much needed assistance to military and civilian employees, and spouses of military members who died in the line of duty. However, the Expanded HAP eligibility criteria established in the Act, including those criteria that were subsequently changed through

administrative rulemaking procedures, did not establish a deadline for when applications must be submitted to DoD. These changes inform applicants of application deadlines and the current field office address for submitting applications. These changes do not impact the eligibility criteria or other policies and procedures prescribed in the rule.

DATES: This direct final rule is effective September 4, 2012 unless Agency receives significant adverse comments by midnight Eastern Standard Time on August 6, 2012.

FOR FURTHER INFORMATION CONTACT:

Phyllis Newton, 703-571-9060.

SUPPLEMENTARY INFORMATION: Due to funding limitations, in the Expanded HAP Final Rule, the Permanent Change of Station (PCS) eligibility criterion date for when PCS orders needed to be issued was changed from September 30, 2012, to September 30, 2010, but the Final Rule retained the September 30, 2012, date for when the house must be sold. In accordance with the Act, the Base Realignment and Closure (BRAC) 2005 eligibility criterion will terminate on September 30, 2012, a full year after implementation of the BRAC 2005 round. It is appropriate to establish application deadlines for Expanded HAP benefits for the PCS and BRAC 2005 categories. To that end, this rule will amend 32 CFR part 239 by adding two paragraphs to Section 239.9(a) to establish the application deadlines. This change does not eliminate anyone's eligibility; rather it simply requires filing of applications in a timely manner. Submission of the applications by the specified deadlines is sufficient even if further documentation is required.

Additionally, the amendment will revise the HAP Field Office address for the submission of HAP applications. The three former field offices were consolidated into one field office in Savannah, Georgia.

The prompt implementation of the Direct Final Rule is of critical importance. Due to the current economic climate, continuing the Expanded HAP provisions for PCS and BRAC 2005 categories is no longer viable. This Direct Final Rule makes nonsubstantive changes to the Expanded HAP rule. These changes inform applicants of application deadlines and the current field office address for submitting applications. These changes do not impact the eligibility criteria or other policies and procedures prescribed in the rule.

Additionally, the Department of Defense has determined that these
