SUPPLEMENTARY INFORMATION: The National Assessment Governing Board (Board) is established under section 412 of the National Education Statistics Act of 1994, as amended.

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board's responsibilities include the following: selecting subject areas to be assessed, developing assessment frameworks and specifications, developing appropriate student achievement levels for each grade and subject tested, developing standards and procedures for interstate and national comparisons, developing guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

The Governing Board's standing committees, the Assessment Development Committee and the Executive Committee, will convene on August 2, 2012. From 9:00 a.m. to 3:30 p.m., the Assessment Development Committee (ADC) will meet in closed session to review secure computer-based tasks and test materials for the NAEP 2014 Technology and Engineering Literacy Assessment at grade 8. During the closed session, ADC members will be provided specific test materials for review which are not yet available for release to the general public. Premature disclosure of these secure test items and materials would compromise the integrity and substantially impede implementation of the NAEP assessments and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 of the United States Code. Following this closed session, the Committee will meet in open session from 3:30 p.m. to 4:00 p.m. to discuss NAEP Preparedness Reporting.

The Executive Committee will meet on August 2, 2012 from 4:30 p.m. to 5:30 p.m. in open session and thereafter in closed session from 5:30 p.m. to 6:00 p.m. At 4:45 p.m. the Executive Committee will discuss the election of the Board Vice Chair for a term beginning October 1, 2012. During the closed session, the Executive Committee will receive and discuss the current procurement plans and independent

government cost estimates from the National Center for Education Statistics (NCES) staff for proposed item development, data collection, scoring and analysis, and reporting of National Assessment of Educational Progress (NAEP) results for 2013–2017, and their implications on future NAEP activities. The discussion of independent government cost estimates for the NAEP 2013–2017 contracts is necessary for ensuring that NAEP contracts meet congressionally mandated goals and adhere to Board policies on NAEP Assessments available at www.nagb.org/policies.html. This part of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program and would provide an advantage to potential bidders attending an open meeting. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On August 3, 2012, the full Board will meet in open session from 8:30 a.m. to 9:45 a.m., followed by a closed session from 12:45 p.m. to 1:45 p.m. and thereafter in open session from 2:00 p.m. to 4:00 p.m.

From 8:30 a.m. to 8:45 a.m. on August 3, the Board will review and approve the August 2012 meeting agenda and meeting minutes from the May 2012 Board meeting, followed by the Chairman's remarks. From 8:45 a.m. to 9:15 a.m. the Board will receive a briefing on the Department of Defense Education Activity (DoDEA) and NAEP. From 9:15 a.m. to 9:45 a.m., the Executive Director of the Governing Board will provide a report to the Board, followed by updates from the Commissioner of the National Center for Education Statistics (NCES) and the Director of the Institute of Education Sciences (IES). Following these sessions, the Board will recess for Committee meetings from 10:00 a.m. to 12:30 p.m.

The Reporting and Dissemination Committee will meet in open session from 10:00 a.m. to 12:30 p.m. The Assessment Development Committee (ADC) will meet in open session from 10:00 a.m. to 11:00 a.m. and thereafter in closed sessions from 11:00 a.m. to 12:30 p.m. During the first closed session, the ADC will receive secure results from two NAEP studies: the NAEP Mathematics Knowledge and Skills Appropriate Study (KaSA) at grade 8 and results from the 2011 NAEP Grade 4 Computer-Based Writing Pilot.

The briefing and discussions on these two special studies must be conducted in closed session because the ADC members will be provided with results which are under an NCES embargo and not yet available for release to the general public. Premature disclosure of these secure test items and materials would compromise the integrity and substantially impede implementation of the NAEP assessments and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 of the United States Code.

The Committee on Standards, Design and Methodology (COSDAM) will meet in open session from 10:00 a.m. to 11:30 a.m. and thereafter in closed session from 11:30 a.m. to 12:30 p.m. During the closed session, the Committee will receive two briefings: First, the results of a multi-stage adaptive assessment will be presented to brief the Committee on analyses of response time indicators of student engagement. The session will need to be closed in order to present information about differential response times associated with specific items included in the secure NAEP assessment. The Committee will be provided with secure results that have not been approved for release and therefore cannot be disclosed to the general public at this time. Premature disclosure of these secure data would significantly impede implementation of the NAEP assessments and reporting, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

During the second part of the closed session, NCES staff will provide a briefing on the procurement plans for conducting an evaluation of the NAEP achievement levels. COSDAM oversees the development of NAEP achievement levels. Members will discuss the subjects and grades to be included in the evaluation. This part of the meeting must be conducted in closed session because the solicitation has not been released. Public disclosure of this information would likely have an adverse financial effect on the NAEP program and would provide an advantage to potential bidders attending an open meeting. Discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On August 3, 2012 from 12:45 p.m. to 1:45 p.m. the full Board will meet in closed session to receive and discuss results of the NAEP 2011 Writing Report Card at grades 8 and 12. The briefing will include secure items and embargoed assessment data and results

that cannot be discussed in an open meeting prior to their official release. Premature disclosure of these results would significantly impede implementation of the NAEP assessment program, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 United States Code.

After the closed session, the Board will meet in the following open sessions: From 2:00 p.m. to 3:15 p.m., the Board will receive a briefing on the Common Core State Standards and Assessments from the PARCC Assessment Consortium and the Smarter Balanced Assessment Consortium. From 3:15 p.m. to 4:00 p.m., the Board will receive a briefing on the Race to the Top Implementation and NAEP. The August 3, 2012 session of the Board meeting is scheduled to adjourn at 4:00 p.m.

On August 4, 2012, the Nominations Committee will meet in closed session from 7:15 a.m. to 8:15 a.m. to discuss potential candidates for Board terms beginning October 1, 2013. The Committee discussions pertain solely to internal personnel rules and practices of an agency and information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 of the United States Code.

On August 4, from 8:30 a.m. to 10:30 a.m. the full Board will meet in open session to discuss its ongoing work on Making a Difference, Reporting NAEP 12th Grade Academic Preparedness Research, Parent Engagement, and NAEP and Common Core State Standards and Assessments. The Board will also discuss plans for the Board's 25th Anniversary. From 10:45 a.m. to 12:00 p.m. the Board will receive Committee reports and take action on Committee recommendations. The August 4, 2012 meeting is scheduled to adjourn at 12:00 p.m.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street NW., Washington, DC, from 9:00 a.m. to 5:00 p.m. Eastern Time, Monday through Friday.

DEPARTMENT OF ENERGY

U.S. Energy Information Administration

Proposed Agency Information Collection

AGENCY: U.S. Energy Information Administration (EIA), Department of Energy (DOE).

ACTION: Agency Information Collection Activities: Proposed Information Collection; Notice and Request for Comments.

SUMMARY: The EIA is soliciting comments on the proposed reinstatement, and three-year approval to the Form GC-859, "Nuclear Fuel Data Survey" (previously designated as the Form RW-859, "Nuclear Fuel Data Survey") that EIA is developing for submission to the Office of Management and Budget (OMB) pursuant to the Paperwork Reduction Act of 1995. The Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101 *et seq.*) required that the DOE enter into Standard Contracts with all generators or owners of spent nuclear fuel and high-level radioactive waste of

domestic origin in 1983. This data collection evolved from an Appendix to this Standard Contract. Appendix B to the Standard Contract required that spent nuclear fuel discharge, storage, and projection information be collected annually. The annual version of the Form RW-859 survey was collected for the survey years from 1983 through 1995. Due to budgetary constraints, the survey was collected periodically for survey years 1998 and 2002, covering multi-year periods. The survey containing data as of December 31, 2002 was collected during 2003 and is the most recent data on spent nuclear fuel discharges and storage available within DOE. Lack of funding resulted in the form being discontinued in 2009. With the transfer of certain functions between Offices of the DOE and with the need to collect data for other Offices within DOE, the data collection authorization is now under the auspices of the Office of the General Counsel (GC) and the form will be redesignated as the Form GC-859.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments regarding this proposed information collection must be received by September 21, 2012. If you anticipate difficulty in submitting comments within that period, contact the person listed in **ADDRESSES** as soon as possible.

ADDRESSES: Send comments to Marta Gospodarczyk. To ensure receipt of the comments by the due date, submission by Fax (202-586-3045) or email (marta.gospodarczyk@eia.gov) is recommended. The mailing address is Office of Electricity, Coal, Nuclear, and Renewables Analysis, EI-34, Forrestal Building, U.S. Department of Energy, 1000 Independence Ave. SW., Washington, DC 20585. Alternatively, Ms. Gospodarczyk may be contacted by telephone at 202-586-0527.
