

resources and values, a listing of measures to minimize environmental harm, and an overview of public involvement in the decision-making process.

The selected alternative, Alternative 3—Broadening the Hampton Experience, was identified as the agency's preferred alternative in the Final GMP/EIS. Under this alternative, the visitor experience will be expanded to include the entire story of the park, from its beginnings in the 18th century to its heyday in the 19th century, and through the changes of activity and ownership in the 20th century. It will broaden the stories to include all those who lived and worked at the mansion, the plantations, and related Ridgely family enterprises. It will provide visitor services and accommodate park operations within the historic and modern buildings existing on the property, including a new collections storage building and a small visitor contact building in the Support Zone on the mansion side of the property.

Modern and historic buildings will be rehabilitated to provide for visitor services—orientation, group programming, restrooms and bookstore—along with limited storage, and administrative and partnership offices, all within walking distance of the mansion. While this approach could disperse interpretation and administrative functions throughout the park, every effort will be made to group these operational functions near one another to enhance the 'campus feeling,' encourage organizational efficiency, and minimize their intrusion into the historic scene.

The modular buildings currently housing administrative and partner offices will be removed. One critical feature missing from the landscape and essential to the visitor experience, the corn crib, will be reconstructed, if Department of the Interior/NPS documentation needs are met in accordance with the Secretary of the Interior's Standards for the Treatment of Historic Properties, and used for interpretation on the farm side. Relocation of the modern entrance drive on the mansion side and changes to the access road to the farm will provide safer access to new visitor orientation areas on both sides of Hampton Lane.

Exhibits, media, programs, and scholarship will reflect the breadth of lives and events experienced by all of Hampton's residents and workers, free and enslaved, and will connect those stories with visitors' lives today. Park boundaries will remain unchanged, although minor adjustments will be

considered through donation and willing seller acquisitions.

The NPS selected Alternative 3 because it best fulfills the purposes of the park and conveys the greatest number of beneficial results in comparison with the other alternatives. The selected alternative will expand the visitor experience to include the entire story of the park and would broaden the stories to include all those who lived and worked at the estate. It will provide visitor services and accommodate park operations, including group activities and tours, while preserving park resources. Partnerships will enhance relevance of the park to local visitors and better enable the NPS to respond to concerns of local residents, preservation organizations, academics, and the general public about how the park is managed. Overall, the selected alternative provides the highest degree of protection of the park's natural and cultural resources and it provides the most exceptional opportunities for visitors. In addition, the selected alternative offers the best value balancing costs against improvements to preservation and visitor services.

This planning process was initiated in 1998 and included extensive involvement with key stakeholders, agencies, resource experts, and members of the public. Information was disseminated through newsletters and press releases, and all interested parties were provided with opportunities to provide input and feedback during public meetings, workshops, and document review periods. The Draft GMP/EIS was available for public and agency review from October 11, 2010, through December 24, 2010, with three public open houses held in November 2010. The Final GMP/EIS responded to, and incorporated, agency and public comments received on the Draft GMP/EIS. No changes were made to the alternatives or to the impact analysis presented in the Draft GMP/EIS; therefore, Alternative 3 remained the NPS Preferred Alternative and the environmentally preferred alternative in the Final GMP/EIS.

#### Minor Boundary Revision at Big Thicket National Preserve

**AGENCY:** National Park Service, Interior.

**ACTION:** Notification of Boundary Revision.

**SUMMARY:** Notice is hereby given that, pursuant to the Act of October 11, 1974 (Pub. L. 93-439, 88 Stat. 1245), the boundary of Big Thicket National Preserve is modified to include 9 tracts of lands listed as follows: Tract 119-07, 123.07 acres; Tract 219-12, 6.45 acres; Tract 219-13, 177.28 acres; Tract 221-15, 8.51 acres; Tract 221-16, 4.29 acres; Tract 224-16, 648.01 acres; Tract 225-20, 41.40 acres; Tract 227-04, 52.74 acres; and Tract 230-01, 1,141.87 acres; for a total of 2,203.62 acres. These lands are located in Hardin County, Polk County, and Tyler County, Texas, immediately adjacent to the existing boundary of Big Thicket National Preserve. The boundary revision is depicted on Map No. 175/106,913A dated August, 2011. The map is available for inspection at the following locations: National Park Service, Intermountain Region Land Resources Program Center, 12795 West Alameda Parkway, Denver, Colorado 80225-0287 and National Park Service, Department of the Interior, Washington, DC 20240.

**DATES:** The effective date of this boundary revision is September 6, 2012.

**FOR FURTHER INFORMATION CONTACT:** National Park Service, Chief Realty Officer, Intermountain Region Resources Program Center, 12795 West Alameda Parkway, Denver, Colorado 80225-0827, at (303) 969-2610.

**SUPPLEMENTARY INFORMATION:** The Act of October 11, 1974, as amended, established the Big Thicket National Preserve and provided that after notifying the House Committee on Resources and the Senate Committee on Energy and Resources, the Secretary of the Interior is authorized to make this boundary revision. The Committees have been notified of this boundary revision.

This boundary revision will make a significant contribution toward the preservation and protection of the ecological crossroads of Southeast Texas for which the preserve was established. The acquisition of these parcels will provide connectivity between the various units and will aid in maintaining wildlife migration corridors and the management of the park. These

lands provide some of the most outstanding recreational opportunities for wetland canoeing within the National Park Service System, and include significant biological and geological diversity.

#### Temporary Concession Contract for the Operation of Lodging, Food and Beverage and Retail Services in Canyon de Chelly National Mounument

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** The National Park Service intends to award a temporary concession contract to a qualified person for the conduct of certain visitor services within Canyon de Chelly National Mounument for a term not to exceed 3 years. The visitor services include lodging, food and beverage and retail.

**DATES:** January 1, 2013.

**FOR FURTHER INFORMATION CONTACT:**

Jennifer Bonnett, Intermountain Regional Concession Chief, Intermountain Region, 12795 W. Alameda Parkway, Denver, CO, 80225; Telephone (303) 969-2661, by email at [Jennifer\\_bonnett@nps.gov](mailto:Jennifer_bonnett@nps.gov).

**SUPPLEMENTARY INFORMATION:** The National Park Service will award the temporary contract to a qualified person (as defined in 36 CFR 51.3) under TC-CACH001-13. The National Park Service has determined that a temporary concession contract not to exceed 3 years is necessary in order to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid an interruption of visitor services.

**Authority:** This action is issued pursuant to 36 CFR 51.24(a). This is not a request for proposals.

Dated: August 10, 2012.
