This notice is soliciting comments for an additional period of 30 days from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of

The first notice pertaining to this information collection, referred to as the 60-day notice, published in the **Federal Register** on July 12, 2012, at 77 FR 41197. The notice set out the revisions that HUD proposed to the legal instructions and also presented the proposed number of respondents and burden hours. Although HUD received no comments in response to the July 12, 2012, notice, HUD identified an error. The number of respondents was incorrect. The 60-day notice listed respondents as 359. This number was incorrect. The correct number is 128. This notice published today provides the correct information and also provides the following information:

Title of Proposal: Legal Instructions Concerning Applications for Full Insurance Benefits—Assignment of Multifamily Mortgage to the Secretary.

OMB Control Number, if applicable: 2510-0006.

Agency form numbers, if applicable: N/A.

Members of affected public: Mortgagees when applying for insurance benefits from HUD.

In connection with the assignment, legal documents (e.g., mortgage, mortgage note, security agreement, title insurance policy) must be submitted to the Department. The instructions describe the document submitted to OMB and the procedures for submission.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Number of respondents	Burden hours	Frequency of response	Total burden hours
128	26	1	3,328

Status of the proposed information collection: Extension of a currently approved collection.
