Needs and Uses: Section 22 of the Arms Export Control Act (22 U.S.C. 2762) requires the U.S. Government to use foreign funds, rather than U.S. appropriated funds, to purchase military equipment for foreign governments. requires each contractor whose contract includes foreign military sales (FMS) requirements to submit a separate progress payment request for each progress payment rate, and to submit a supporting schedule that clearly distinguishes the contract's FMS requirements from U.S. requirements. The Government uses this information to determine how much of each country's funds to disburse to the contractor.
