The grantee's proposed service area under the ASF would be Berks, Cumberland, Dauphin, Franklin, Lancaster and York Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Harrisburg Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include existing sites 1-5, 7-14, 16-19 and 23-26 as "magnet" sites and existing sites 20-22 as "usage-driven" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The application would have no impact on FTZ 147's previously authorized subzones.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 7, 2013. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to January 22, 2013.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room

21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: November 1, 2012.

Amendments

For these reasons, the Fees and Expenses, Conditions for Participation, Selection Criteria for Participation, and Timeframe for Recruitment and Applications sections of the Notice of the Executive-Led Trade Mission to South Africa and Zambia are amended to read as follows:

Fees and Expenses:

After a company or trade association has been selected to participate on the mission, a payment to the U.S. Department of Commerce in the form of a participation fee is required. The participation fee is \$4900 for large firms and \$4,350 for small or medium-sized enterprises (SME)¹ and trade associations. The fee for each additional representative (large firm or SME/trade association) is \$450. Expenses for travel, lodging, some meals, and incidentals will be the responsibility of each mission participant.

Applicants must submit a completed and signed mission application and supplemental application materials,

¹ An SME is defined as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations (see <http://www.sba.gov/services/contractingopportunities/sizestandardtopics/index.html>). Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing reflects the Commercial Service's user fee schedule that became effective May 1, 2008 (see <http://www.export.gov/newsletter/march2008/initiatives.html> for additional information).

including adequate information on the company's (or in the case of a trade association, represented companies') products and/or services, primary market objectives, and goals for participation. If the Department of Commerce receives an incomplete application, the Department may either: Reject the application, request additional information/clarification, or take the lack of information into account when evaluating the applications.

Each applicant must also certify that the products and services it seeks to export through the mission are either produced in the United States, or, if not, are marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content. In the case of a trade association, the applicant must certify that for each company to be represented by the association, the products and/or services the represented company seeks to export are either produced in the United States or, if not, marketed under the name of a U.S. firm and have at least fifty-one percent U.S. content.

Selection Criteria For Participation:

- Suitability of the company's (or in the case of a trade association, represented companies') products or services to the mission goals.
- Applicant's (or in the case of a trade association, represented companies') potential for business in South Africa and Zambia, including likelihood of exports resulting from the mission.
- Consistency of the applicant's (or in the case of a trade association, represented companies') goals and objectives with the stated scope of the mission.

Diversity of company size, sector or subsector, and location may also be considered during the review process.

Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and not considered during the selection process.

Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner, including publication in the **Federal Register**, posting on the Commerce Department trade mission calendar—www.ita.doc.gov/doctm/tmcal.html—and other Internet web sites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows.

Recruitment for the mission began in March 2012 and concluded October 12, 2012 for U.S. company participants. The U.S. Department of Commerce began reviewing applications and making selection decisions on a rolling basis beginning August 6, 2012, until the maximum of 20 participants is selected. For U.S. trade associations only, applications will be accepted until November 12, 2012. (b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is November 23, 2012); and

(c) The panel review shall be limited to the allegations of error of fact or law, including the jurisdiction of the investigating authority, that are set out in the Complaints filed in panel review and the procedural and substantive defenses raised in the panel review.

Dated: October 31, 2012.
