*Estimated Reporting and Recordkeeping Non-Hour Cost Burden:* We have identified one non-hour paperwork cost burden for this collection: A \$2,012 permit application fee.

*Public Disclosure Statement:* The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obliged to respond.

*Comments:* On August 24, 2011, we published a **Federal Register** notice (76 FR 52963) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. We received two comments in response. One did not pertain to the information collection, and the other expressed support for competitive bidding processes.

In addition, § 580.80 provides the OMB control number for the information collection requirements imposed by the 30 CFR 580 regulation, informs the public that they may comment at any time on the collections of information, and provides the address to which they should send comments.

We again request comments on this information collection on: (1) Whether or not the collection of information is necessary, including whether or not the information is useful; (2) the accuracy of our estimate of the burden for this collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden on the respondents.

*Public Availability of Comments:* Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: February 13, 2012.
