Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)) (the Act), that an industry in the United States is materially injured by reason of imports from Korea of large residential washers that the U.S. Department of Commerce (Commerce) has determined are subsidized by the Government of Korea and sold in the

United States at less than fair value (LTFV). The Commission further determines that an industry in the United States is materially injured by reason of imports from Mexico of large residential washers that the Commerce has determined are sold in the United States at LTFV. Background

The Commission instituted these investigations effective December 30, 2011, following receipt of a petition filed with the Commission and Commerce by Whirlpool Corporation, Benton Harbor, MI. Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on August 24, 2012 (77 FR 51569). The hearing was held in Washington, DC, on December 11, 2012, and all persons who requested the opportunity were permitted to appear in person or by counsel.
