

became Public Law 111–22; Division B of this law is the HEARTH Act. As amended by the HEARTH Act, Subpart C of the McKinney-Vento Homeless Assistance Act establishes the Continuum of Care Program. The Continuum of Care Program is formed from the consolidation and amendment of three separate homeless assistance programs (The Supportive Housing Program, the Shelter Plus Care Program, and the Moderate Rehabilitation/Single Room Occupancy Program) into one single grant program. The three programs that had been carried out under title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11371 et seq.). The HEARTH Act was designed to improve administrative efficiency and enhance response coordination and effectiveness in addressing the needs of homeless persons through the Continuum of Care Program. The purpose of the program is to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effective utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

Publication of the interim rule for the Continuum of Care Program on July 31, 2012, found at 24 CFR part 578, continues HUD's implementation of the HEARTH Act. This rule establishes the regulatory framework for the Continuum of Care Program and the Continuum of Care planning process, including requirements applicable to the establishment of a Continuum of Care. A Continuum of Care is designed to address the critical problem of homelessness through a coordinated community-based process of identifying needs and building a system of housing and services to address those needs.

The statutory provisions and implementing interim regulations govern the Continuum of Care Program recordkeeping requirements for recipient and subrecipients and the standard operating procedures for ensuring that Continuum of Care Program funds are used in accordance

with the program requirements. To see the regulations for the new CoC program and applicable supplementary documents, visit HUD's Homeless Resource Exchange at <https://www.onecpd.info/resource/2033/hearth-coc-program-interim-rule/>.
