¹ A tax filer who filed an income tax return other than an IRS form, such as a foreign or Puerto Rican tax form, must use the income information (converted to U.S. dollars) from the lines of that form that correspond most closely to the income information reported on a U.S. income tax return.

² An institution may accept a copy of a 2013 income tax return for tax filers who are unable to use the IRS Data Retrieval Tool or obtain an IRS Tax Return Transcript consistent with guidance that the Secretary may provide (e.g., victims of identity theft, individuals who filed an amended tax return, individuals who filed an income tax return other than an IRS form or individuals with authentication issues with the IRS). The copy must include the signature of the tax filer or of one of the filers of a joint income tax return or the signed, stamped, typed, or printed name and address of the preparer of the income tax return and the preparer's Social Security Number, Employer Identification Number, or Preparer Tax Identification Number.

³ If a tax filer did not retain a copy of his or her 2013 tax account information and that information cannot be located by the IRS or a government of a U.S. territory or commonwealth or a foreign central government, the institution must accept—

a) The amount of income earned from work;

b) The source of that income; and

c) The reason why the IRS Form W-2 is not available in a timely manner.

Closed Portion of the Meeting: PCAST may hold a closed meeting of approximately one hour with the President on July 18, 2013, which must take place in the White House for the President's scheduling convenience and to maintain Secret Service protection.
