

FCC Form 161 available for public inspection. FCC Form 161 includes a “privacy statement” to inform applicants (respondents) of the FCC’s need to obtain the information and the protections that the FCC has in place to protect PII.

Needs and Uses: After respondents have registered in the FCC’s Commission Registration System (CORES) and have been issued a FCC Registration Number (FRN), they may use FCC Form 161 to update and/or change their contact information, including name, address, telephone number, email address(es), fax number, contact representative, contact representative’s address, telephone number, email address, and/or fax number. Respondents may also update their registration information in CORES on-line at www.fcc.gov/frnreg. The Commission uses this information to collect or report on any delinquent debt arising from the respondent’s business dealings with the FCC, including both “feeable” and “nonfeeable” services; and to ensure that registrants (respondents) receive any refunds due. Use of the CORES System is also a means of ensuring that the Commission operates in compliance with the *Debt Collection Improvement Act of 1996*.

On November 19, 2010, the FCC adopted a *Notice of Proposed Rulemaking* (NPRM), MD Docket No. 10–234, FCC 10–192, Amendment of Part 1 of the Commission’s Rules Concerning Practice and Procedure, Amendment of CORES Registration System. The NPRM proposes to eliminate some of the FCC’s exceptions to the requirement that entities and individuals provide their Taxpayer Identification Number (“TIN”) at the time of registration; require FRN holders to provide their email address(es); give FRN holders the option to identify multiple points of contact; and require FRN holders to indicate their tax-exempt status and notify the Commission of pending bankruptcy proceedings. All remaining existing information collection requirements would stay as they are.

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
