

**(E) Cost Proposal (10 Points)**

Applicants must submit the total proposed cost of establishing and administering the SBTRC in the applicant's geographical region for a 12 month period, inclusive of costs funded through alternative matching resources. The applicant's budget must be adequate to support the proposed strategy and costs must be reasonable in relation to project objectives. The portion of the submitted budget funded by OSDBU cannot exceed the ceiling outlined in Section 1.3; Description of Competition of this RFP per fiscal year. Applicants are encouraged to provide in-kind costs and other innovative cost approaches.

**4.2 Scoring of Applications**

A review panel will score each application based upon the evaluation criteria listed above. Points will be given for each evaluation criteria category, not to exceed the maximum number of points allowed for each category. Proposals which are deemed non-responsive, do not meet the established criteria, or incomplete at the time of submission will be disqualified. OSDBU will perform a responsibility determination of the prospective awardee in the region, which will include a site visit, before awarding the cooperative agreement.

**4.3 Conflicts of Interest**

Applicants must submit signed statements by key personnel and all organization principals indicating that they, or members of their immediate families, do not have a personal, business or financial interest in any DOT-funded transportation project, nor any relationships with local or state transportation agencies that may have the appearance of a conflict of interest.

### Federal Aviation Administration

#### Public Notice for Waiver of Aeronautical Land-Use Assurance

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of intent of waiver with respect to land; Wittman Regional Airport, Oshkosh, Wisconsin.

**SUMMARY:** The FAA is considering a proposal to change approximately 0.242 acres of airport land consisting of two separate parcels from aeronautical use to non-aeronautical use, and to authorize the transfer of these airport properties located at Wittman Regional Airport, to the City of Oshkosh (City) in exchange for 4.764 acres owned by the City.

The two parcels of airport land which are currently primarily used as roadway right-of-way and ditches are proposed for non-aeronautical uses. These parcels are no longer needed for aeronautical use. Cul-de-sacs are proposed to be built on each property and the land swapped with the City of Oshkosh in exchange for 4.764 acres of land within two existing public road rights-of-way (portions of West Waukau Avenue and Knapp Street). The lands the airport will receive were vacated by the City of Oshkosh in May 2013 and access will be maintained to adjacent uses by private streets within fenced airport property. A portion of airport property for the proposed West Waukau Avenue cul-de-sac has a portable building used by the Winnebago Sheriff's Department during EAA AirVenture. The building will be shifted 140 feet north to remain on airport property.

**DATES:** Comments must be received on or before August 12, 2013.
