Administration****[TA-W-82,481]****HarperCollins Publishers Distribution Operations Including On-Site Leased Workers From Action Personnel, CGA Staffing Services, Dynamic Staffing, Kelly Services, Manpower, Canteen, Bulldog Maintenance Company, Inc., Action Lift, and Kraye Detective Agency Including Off-Site Leased Workers From D's Packaging and Rennobs, Scranton, Pennsylvania; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 19, 2013, applicable to workers of HarperCollins Publishers, Distribution Operations, including on-site leased workers from Action Personnel, CGA Staffing Services, Dynamic Staffing, Kelly Services, and Manpower, Scranton, Pennsylvania. The Department's notice of determination was published in the **Federal Register** on May 15, 2013 (Volume 78 FR Pages 28628–28630).

At the request of the State Workforce Office, the Department reviewed the certification for workers of the subject firm. The workers were engaged in production of books.

The state reports that workers leased from Canteen, Bulldog Maintenance Company, Inc., Action Lift, and Kraye Detective Agency were employed on-site at the Scranton, Pennsylvania location of HarperCollins Publishers. The state also reports that workers leased from D's Packaging and Rennobs were employed off-site but were under the operational control of HarperCollins Publishers. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers, and that their total or partial separations or threat of total or partial separations are attributable to the same increased customer imports that were the basis of the original certification.

Based on these findings, the Department is amending this certification to include workers leased from Canteen, Bulldog Maintenance Company, Inc., Action Lift, Kraye Detective Agency, D's Packaging and Rennobs.

The amended notice applicable to TA-W-82,481 is hereby issued as follows:

"All workers of HarperCollins Publishers, Distribution Operations, including on-site leased workers from Action Personnel, CGA Staffing Services, Dynamic Staffing, Kelly Services, Manpower, Canteen, Bulldog Maintenance Company, Inc., Action Lift, and Kraye Detective Agency, and including off-site leased workers from D's Packaging and Rennobs, Scranton, Pennsylvania, who became totally or partially separated from employment on or after February 19, 2012 through April 19, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through April 19, 2015, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."

Signed in Washington, DC this 2nd day of July, 2013.

Michael W. Jaffe,

Certifying Officer, Office of Trade Adjustment Assistance.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69974; File No. SR-NYSEMKT-2013-55]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Its Price List To Change the Monthly Fees for the Use of Certain Ports

July 11, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on June 28, 2013, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to change the monthly fees for the use of certain ports. The Exchange proposes to implement the fee changes on July 1, 2013. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to change the monthly fees for

the use of certain ports.³ The Exchange proposes to implement the fee changes on July 1, 2013.⁴

The Exchange currently makes ports available that provide connectivity to the Exchange's trading systems (i.e., ports for entry of orders and/or quotes ("order/quote entry ports")) and charges \$200 per port per month.⁵ The Exchange proposes that the \$200 fee per port per month would apply to users with five or fewer order/quote entry ports and that the fee for users with more than five order/quote entry ports would be \$500 per port per month, including for the

³ The Exchange has a Common Customer Gateway ("CCG") that accesses the equity trading systems that it shares with its affiliates, New York Stock Exchange LLC ("NYSE") and NYSE Arca, Inc. ("NYSE Arca"), and all ports connect to the CCG. See, e.g., Securities Exchange Act Release No. 64543 (May 25, 2011), 76 FR 31667 (June 1, 2011) (SR-NYSEAmex-2011-20). All NYSE MKT member organizations are also NYSE member organizations and, accordingly, a member organization utilizes its ports for activity on both NYSE and/or NYSE MKT and is charged port fees based on the total number of ports connected to the CCG, whether the ports are used to quote and trade on NYSE, NYSE MKT, and/or both, because those trading systems are integrated. The NYSE Arca trading platform is not integrated in the same manner. Therefore, it does not share its ports with NYSE or NYSE MKT.

⁴ The Exchange notes that billing for ports is based on the number of ports on the third business day prior to the end of the month. In addition, the level of activity with respect to a particular port does not affect the assessment of monthly fees, such that, except for ports that are not charged, even if a particular port is not used, a port fee still applies.

⁵ The Price List provides that (i) users of the Exchange's Risk Management Gateway service ("RMG") are not charged for order/quote entry ports if such ports are designated as being used for RMG purposes, and (ii) Designated Market Makers ("DMMs") are not charged for order/quote entry ports that connect to the Exchange via the DMM Gateway. See Securities Exchange Act Release No. 68261 (November 19, 2012), 77 FR 70522 (November 26, 2012) (SR-NYSEMKT-2012-64). Two methods are available to DMMs to connect to the Exchange: DMM Gateway and CCG. The two methods are quite distinct, however. Only DMMs may utilize the DMM Gateway, and they may only use DMM Gateway when acting in their capacity as a DMM. DMMs are required to use the DMM Gateway for certain DMM-specific functions that relate to the DMM's role on the Exchange and the obligations attendant therewith, which are not applicable to other market participants on the Exchange. By contrast, non-DMMs as well as DMMs may use the CCG, use of the CCG by a DMM is optional, and a DMM that connects to the Exchange via CCG can use the relevant order/quote entry port for orders and quotes both in its capacity as a DMM and for orders and quotes in other securities. Accordingly, because DMMs are required to utilize DMM Gateway, but not CCG, to be able to fulfill their functions as DMMs, DMMs are not charged for order/quote entry ports that connect to the Exchange via the DMM Gateway, but DMMs, like other market participants, are charged for order/entry ports that connect to the Exchange via the CCG. DMMs can elect to use the DMM Gateway, the CCG, or both for their connectivity to the Exchange. However, the DMM Gateway must be used for certain DMM-specific functions that relate to the DMM's role on the Exchange and the obligations attendant therewith.
