

technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

### Overview of This Information Collection

(1) *Type of information collection:* Renewal of a Currently Approved Collection.

(2) *The title of the collection:* Applications for the Attorney Student Loan Repayment Program.

(3) *The agency form number, if any, and the applicable component of the department sponsoring the collection:* Form Number: 1105-0086. Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. Other: None.

The Department of Justice Attorney Student Loan Repayment Program (ASLRP) is an agency recruitment and retention incentive program based on 5 U.S.C. 5379, as amended, and 5 CFR part 537. The Department selects participants during an annual open season each spring. Any one currently employed as an attorney or hired to serve in an attorney position within the Department may request consideration for the ASLRP. The Department selects new attorneys each year for participation on a competitive basis and renews current beneficiaries who remain qualified for these benefits, subject to availability of funds. There are two types of application forms—one is for new requests, and the other for renewal requests. In addition, there is a three year service agreement form.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* The Department anticipates that on a yearly basis, about 225 respondents will complete the application for a new request. In addition, each year the Department expects to receive approximately 175 applications from attorneys and law clerks requesting renewal of the benefits they received in previous years. It is estimated that each new application will take one (1) hour to complete, and each renewal application approximately 15 minutes to complete.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual public burden associated with this collection is 269 hours.

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Massage Therapy Association

Notice is hereby given that, on June 24, 2013, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), American Massage Therapy Association (“AMTA”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is American Massage Therapy Association, Evanston, IL. The nature and scope of AMTA’s standards development activities are to develop, plan, establish, coordinate, and publish voluntary consensus standards applicable to the field of massage therapy.

Specifically, AMTA develops plans, establishes, coordinates, and publishes voluntary consensus standards in the form of basic standards for the entry-level curriculum necessary for safe and competent practice in an early massage career and the number of hours required to teach the essential components of the entry-level curriculum. AMTA develops and publishes these standards in cooperation with the Alliance for Massage Therapy Education, Associated Bodywork and Massage Professionals, the Commission on Massage Therapy Accreditation, The Federation of State Massage Therapy Boards, the Massage Therapy Foundation, and the National

Certification Board for Therapeutic Massage and Bodywork. Through its standards development activities, AMTA seeks to ensure the highest quality of training and education in massage therapy. AMTA’s standards development activities are ongoing in nature, and existing standards may be update and/or amended from time to time.
