[Public Notice 8397]

Bureau of European and Eurasian Affairs (EUR) Request for Proposals for the Fundraising, Construction, Development, Organization, Management, Disassembly and Removal of a USA Pavilion/Exhibition at Universal Expo Milan Italy 2015, Hereafter Referred to as Milan Expo 2015

Key Dates

Application Deadline: Sunday, Sept 15, 2013.

Executive Summary

The Bureau of European and Eurasian Affairs (EUR) of the Department of State requests proposals from private U.S. individuals, firms, associations and organizations (for profit and non-profit) for the fundraising, construction, development, organization, and management, and disassembly and removal of a USA Pavilion/exhibition at Milan Expo 2015. The USA Pavilion will be situated on a 2790 square meter plot with a building footprint no more than 70% of the plot size.

The Department will issue a "letter of intent" to the selected organization authorizing that organization to proceed with fundraising to complete the USA Pavilion project. The letter will include guidelines on fundraising to be followed

by the selected organization and will establish a deadline for completion of all fundraising activities. Note that all prospective donors must be vetted with the Department of State for potential conflicts of interest.

Cost for a representative USA Pavilion/exhibition for Milan Expo 2015 is estimated to range between \$25 million and \$45 million and will be the sole responsibility of the selected organization.

The Department of State is not now authorized, and does not in the future intend to seek authorization from the U.S. Congress, to provide federal funding for any aspect of the USA Pavilion/exhibition at Milan Expo 2015. The successful applicant will be responsible for all costs associated with all aspects of the USA Pavilion including its design, development, construction, staffing, management and dismantling and removal of the exhibit at the end of the Expo, as well as all support for the U.S. Commissioner General to be appointed by the President of the United States. The U.S. Pavilion shall be considered on loan to the U.S. Government, and the successful applicant shall be solely responsible for the disposition of the USA Pavilion Exhibits at the conclusion of Milan Expo 2015. The aforementioned loan shall be treated as a gift to the U.S. Government.

The successful applicant must be able to demonstrate to the U.S. Department of State that it can raise the funds necessary to complete the project. Only after the applicant is able to demonstrate that all funding required for this project will be in hand will the Department of State sign a Memorandum of Understanding (MOU) with that applicant, sign a Participation Contract with the Expo organizing body, and appoint a Commissioner General. Proposals from non-U.S. citizens or non-U.S. firms or organizations shall be deemed ineligible for consideration.

Authority

Overall authority for Department of State support for U.S. participation in international expositions is contained in Section 102(a)(3) of the Mutual Educational and Cultural Exchange Act of 1961, as amended (22 U.S.C. 2452(a)(3)), also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the

people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." Pursuant to this authority, on a one-time basis, the Secretary of State has delegated authority for this particular Expo to the Bureau of European and Eurasian Affairs (EUR), which will be responsible for coordinating U.S. participation in the Milan Expo 2015. Consequently, EUR will represent the U.S. Government in dealings with the organizers of the Milan Expo 2015.

Background

The Government of Italy has invited the United States to participate in the Milan Expo 2015 and the U.S. Government has advised the Italian Government of its intention to participate with an official USA Pavilion assuming identification of a viable private sector partner and successful fundraising efforts. Milan Expo 2015 will be held on specially constructed exhibition grounds. The Expo opens on May 1, 2015 and closes on October 31, 2015.

"Expo 2015 Milano Italy" is a large-scale, universal exposition (world's fair) registered (sanctioned) by the Bureau of International Expositions (BIE). The BIE is an international treaty organization established to sanction and monitor international exhibitions of long duration (over three weeks) and significant scale.

Invitations to world's fairs are extended from the host government to other governments. The United States is not a member of the BIE, and the U.S. Commissioner General, therefore, will not be a formal member of the Steering Committee of the College of Commissioners General for Milan Expo 2015.

With a projected 20 million visitors, Milan Expo 2015 offers an excellent opportunity to inform, inspire and persuade foreign audiences about the United States, its people and values, and to promote broad U.S. commercial interests around the world. U.S. participation in Milan Expo 2015 will confirm the strength and importance of U.S.-Italy bilateral ties and promote mutual understanding between Americans and foreign visitors.

Content

Milan Expo 2015 will be a stage on which participants from all over the world showcase the most innovative solutions to the problems of the Expo's theme of "Feeding the Planet, Energy for Life."
