

	Percent
Securities of Corporation A	5
Securities of Corporation B	10
Securities of Corporation C	25
Securities of various corporations (not exceeding 5 percent of its assets in any one company)	40
Total	100

Investment Company X owns more than 20 percent of the voting power of Corporations B and C and less than 10 percent of the voting power of all of the other corporations. Corporation B manufactures radios and Corporation C acts as its distributor and also distributes radios for other companies. Investment Company X fails to meet the requirements of subparagraph (B) of section 851(b)(3) since it has 35 percent of its assets invested in the securities of two issuers which it controls and which are engaged in related trades or businesses.

Example 4. Investment Company Y at the close of a particular quarter of its taxable year has its assets invested as follows:

	Percent
Cash and Government securities	15
Securities of Corporation K (a regulated investment company)	30
Securities of Corporation A	10
Securities of Corporation B	20
Securities of various corporations (not exceeding 5 percent of its assets in any one company)	25
Total	100

Corporation K has 20 percent of its assets invested in Corporation L, and Corporation L has 40 percent of its assets invested in Corporation B. Corporation A also has 30 percent of its assets invested in Corporation B. Investment Company Y owns more than 20 percent of the voting power of Corporations A and K. Corporation K owns more than 20 percent of the voting power of Corporation L.

At the end of that quarter, Investment Company Y is disqualified under subparagraph (B)(i) of section 851(b)(3) because, after applying section 851(c)(1), more than 25 percent of the value of Investment Company Y's total assets is invested in the securities of Corporation B. This result is shown by the following calculation:

	Percent
Percentage of assets invested directly in Corporation B	20.0
Percentage invested through K and L (30% × 20% × 40%) ...	2.4
Percentage invested indirectly through A (10% × 30%)	3.0

	Percent
Total percentage of assets of Investment Company Y invested in Corporation B	25.4

Example 5. Investment Company Z, which keeps its books and makes its returns on the basis of the calendar year, at the close of the first quarter of 2013 meets the requirements of section 851(b)(3) and has 20 percent of its assets invested in Corporation A. Later during the taxable year it makes distributions to its shareholders and because of such distributions, it finds at the close of the taxable year that it has more than 25 percent of its remaining assets invested in Corporation A. Investment Company Z does not lose its status as a regulated investment company for the taxable year 2013 because of such distributions, nor will it lose its status as a regulated investment company for 2014 or any subsequent year solely as a result of such distributions. See section 851(d)(1).

Example 6. Investment Company Q, which keeps its books and makes its returns on the basis of a calendar year, at the close of the first quarter of 2013, meets the requirements of section 851(b)(3) and has 20 percent of its assets invested in Corporation P. At the close of the taxable year 2013, it finds that it has more than 25 percent of its assets invested in Corporation P. This situation results entirely from fluctuations in the market values of the securities in Investment Company Q's portfolio and is not due in whole or in part to the acquisition of any security or other property. Corporation Q does not lose its status as a regulated investment company for the taxable year 2013 because of such fluctuations in the market values of the securities in its portfolio, nor will it lose its status as a regulated investment company for 2014 or any subsequent year solely as a result of such market value fluctuations. See section 851(d)(1).

Example 7. Investment Company T at the close of a particular quarter of its taxable year has its assets invested as follows:

	Percent
Cash and Government securities	40
Securities of Corporation A	20
Securities of various qualified publicly traded partnerships (within the meaning of sections 851(b)(3) and 851(h)) ...	15
Securities of various corporations (not exceeding 5 percent of its assets in any one company)	25
Total	100

Investment Company T owns more than 20 percent of the voting power of Corporation A and less than 10 percent of the voting power of all of the other corporations. Corporation A has 80 percent of its assets invested in qualified publicly traded partnerships.

Investment Company T is disqualified under subparagraph (B)(iii) of section 851(b)(3), because, after applying section

851(c)(1), more than 25 percent of the value of Investment Company T's total assets is invested in the securities of one or more qualified publicly traded partnerships. This result is shown by the following calculation:

	Percent
Percentage of assets invested directly in qualified publicly traded partnerships	15.0
Percentage invested in qualified publicly traded partnerships indirectly through A (20% × 80%)	16.0
Total percentage of assets of Investment Company T invested in qualified publicly traded partnerships	31.0

(b) *Effective/applicability date.* The proposed revisions apply to quarters that begin at least 90 days after the date of publication of the Treasury decision adopting these rules as a final regulation in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR part 1) relating to section 1092(b). First, the temporary regulations limit the application of § 1.1092(b)-3T(b)(6) to section 1092(b)(2) identified mixed straddles established on or before August 1, 2013. Second, a new § 1.1092(b)-6T provides that unrealized gain and loss on a position held prior to establishing a section 1092(b)(2) identified mixed straddle is taken into account at the time and has the character provided by provisions of the Internal Revenue Code (Code) that would apply if the section 1092(b)(2) identified mixed straddle had not been established. Section 1.1092(b)-6T applies to section 1092(b)(2) identified mixed straddles established after August 1, 2013. The text of the temporary regulations also serves as the text of these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866, as supplemented by 13563. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulations do not impose a collection

of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Internal Revenue Code, this notice of proposed rulemaking has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small businesses.

Comments and Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any comments that are submitted timely to the IRS as prescribed in the preamble under the **ADDRESSES** heading. The Treasury Department and the IRS welcome comments on this proposed regulation. All comments will be available at www.regulations.gov or upon request.

A public hearing has been scheduled for December 4, 2013, beginning at 10 a.m. in the Auditorium of the Internal Revenue Service Building, 1111 Constitution Avenue NW., Washington, DC. Due to building security procedures, visitors must enter at the Constitution Avenue entrance. In addition, all visitors must present photo identification to enter the building. Because of access restrictions, visitors will not be admitted beyond the immediate entrance area more than 30 minutes before the hearing starts. For information about having your name placed on the building access list to attend the hearing, see the **FOR FURTHER INFORMATION CONTACT** section of this preamble.

The rules of 26 CFR 601.601(a)(3) apply to the hearing. Persons who wish to present oral comments at the hearing must submit written comments and an outline of the topics to be discussed and the time to be devoted to each topic by October 31, 2013. Submit a signed paper original and eight (8) copies or an electronic copy. A period of 10 minutes will be allotted to each person for making comments. An agenda showing the scheduling of the speakers will be prepared after the deadline for receiving outlines has passed. Copies of the agenda will be available free of charge at the hearing.

Drafting Information

The principal author of these regulations is Elizabeth M. Bouzis, Office of Associate Chief Counsel (Financial Institutions and Products). However, other personnel from the Treasury Department and the IRS participated in their development.
