

MSCI states that it intends to consummate the transaction on or about September 12, 2013, and that operations under this exemption will begin thereafter. However, at the request of the Board, MSCI supplemented and clarified its verified notice of exemption on August 22, 2013, and that date therefore is considered the filing date of MSCI's verified notice of exemption. As a result, the transaction may not be consummated until September 21, 2013 (30 days after the verified notice was filed).

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than September 13, 2013 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35757, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Daniel A. LaKemper, General Counsel, Mississippi Central Railroad Co., 1318 S. Johanson Road, Peoria, IL 61607.

Board decisions and notices are available on our Web site at WWW.STB.DOT.GOV.

Decided: September 3, 2013.

Rachel D. Campbell,
Director, Office of Proceedings.
