Title: Assessment of Fees—12 CFR 8.
OMB Control No.: 1557–0223.

Affected Public: Business or other for-profit.

Type of Review: Regular review.

Abstract: The OCC is requesting comment on its proposed extension, without change, of the information collection titled, "Assessment of Fees—12 CFR 8." The OCC is authorized to

collect assessments, fees, and other charges as necessary or appropriate to carry out the responsibilities of the OCC by the National Bank Act (for national banks) and the Home Owners Loan Act (for Federal savings associations). The OCC requires independent credit card banks and independent credit card Federal savings associations to pay an additional assessment based on receivables attributable to accounts owned by the bank or Federal savings association. Independent credit card banks and independent credit card Federal savings associations are national banks or Federal savings associations that primarily engage in credit card operations and are not affiliated with a full service national bank or Federal savings association. The OCC will require independent credit card banks and independent credit card Federal savings associations to provide the OCC with "receivables attributable" data. "Receivables attributable" refers to the total amount of outstanding balances due on credit card accounts owned by an independent credit card bank (the receivables attributable to those accounts) on the last day of an assessment period, minus receivables retained on the bank or Federal savings association's balance sheet as of that day. The OCC will use the information to verify the accuracy of each bank and Federal savings association's assessment computation and to adjust the assessment rate for independent credit card banks and independent credit card Federal savings associations over time.

Estimated Number of Responses: 18.

Frequency of Response:

Semiannually.
