Grants made under this grant program support programs that provide assistance to victims of sexual assault, domestic violence, dating violence, and/or stalking who are in need of

transitional housing, short-term housing assistance, and related supportive services. Successful transitional housing programs provide a wide range of flexible and optional services that reflect the differences and individual needs of victims and that allow victims to choose the course of action that is best for them. Transitional housing programs may offer individualized services such as counseling, support groups, safety planning, and advocacy services as well as practical services such as licensed child care, employment services, transportation vouchers, telephones, and referrals to other agencies.
