Steel Threaded Rod from India: Postponement of Preliminary Determination of Antidumping Duty Investigation

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

DATES: November 29, 2013.

FOR FURTHER INFORMATION CONTACT: Paul Stolz or Raquel Silva, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, telephone: (202) 482-4474, or (202) 482-6475, respectively.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On July 24, 2013, the Department of Commerce (the "Department") published a notice of initiation of the antidumping duty investigation of steel threaded rod from India.¹ The notice of initiation stated that the Department, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the "Act"), and 19 CFR 351.205(b)(1), would issue its preliminary determination for this investigation, unless postponed, no later than 140 days after the date of the initiation. In addition, the Department tolled

deadlines by 16 days due to the shutdown of the Federal Government.² Thus, the preliminary determination of this antidumping duty investigation is currently due no later than December 20, 2013.

On November 12, 2013, more than 25-days before the scheduled preliminary determination, All America Threaded Products Inc., Bay Standard Manufacturing Inc., and Vulcan Threaded Products Inc. ("Petitioners"), pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), made a timely request for a 50-day postponement of the preliminary determination in this investigation.³ Petitioners noted in their request that they require additional time to analyze and comment upon the questionnaire responses of the mandatory respondents in this investigation.

The Department has found no compelling reason to deny the request and, therefore, in accordance with section 733(c)(1)(A) of the Act, the Department is postponing the deadline for the preliminary determination to no later than 206 days after the date on which it initiated this investigation (the original 140-day period plus a 50 day extension and the 16 days tolled for the shutdown of the Federal Government). Therefore, the new deadline for issuing the preliminary determination is February 10, 2014.⁴

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 20, 2013.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce to allow, upon request by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified area, the incidental, but not intentional, taking of small numbers of marine mammals, providing that certain findings are made and the necessary prescriptions are established.

The incidental taking of small numbers of marine mammals may be allowed only if NMFS (through authority delegated by the Secretary) finds that the total taking by the specified activity during the specified time period will (i) have a negligible impact on the species or stock(s) and (ii) not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses (where relevant). Further, the permissible methods of taking and requirements pertaining to the mitigation, monitoring and reporting of such taking must be set forth, either in specific regulations or in an authorization.

The allowance of such incidental taking under section 101(a)(5)(A), by harassment, serious injury, death or a combination thereof, requires that regulations be established. Subsequently, a Letter of Authorization may be issued pursuant to the
